Insurance against loss or damage by fire, on Dwellings, Furniture, Stores, Warehouses, Merchandise, Mills, Manufactories, and most other kinds of property, can be effected in this company upon as favorable terms as the nature of the risks and security of policy-holders will admit.

The above is the oldest company doing business in this state, and with peculiar propriety has been denominated "*The Old* Hartford" As an *indemnity* to the insured, it refers to a solid million of assets well invested; and if anything were needed to commend it to the public for liberal patronage, we might offer its history of success in business and honorable dealing with its patrons, for over half a century, as amply sufficient for the purpose.

THE above are *First Class, justly popular, and prompt paying* companies. They invite investigation into their condition and solicit business entirely upon their real merits. In point of solvency and reliability and honorable dealing, they have but *few equals, and no superiors.* They are founded upon the very best securities in the world—first class bonds and mortgages upon property in New York and Brooklyn—securities that have not, for the past ten years, depreciated below par, and are every way more reliable and permanent than railroad, bank, and other stocks, which are subject to the fluctuations of the market, and liable, *in times of panic,* as the experience of the past teaches, to become almost, if not entirely, valueless. And while there are Companies entering the field of competition, well calculated to mislead by publishing *partial and one-sided* statements of their condition, and without a cash surplus on hand sufficient to reinsure their outstanding risks, the above named companies always have and keep over and above their capital *twice* the amount, and in most instances *four* times, needed for the reinsurance of all their risks. With such a foundation, and with such a condition, they claim the right to look with confidence to the public for liberal patronage.

Policies issued without delay, and farms risks for a series of years taken at less rates than can be done by Mutual Companies, and a *certainty* given instead of an *uncertainty.* All losses promptly adjusted and paid.

New York Life Insurance Company,
CASH CAPITAL OVER - - $1,000,000

all well invested for the benefit of Policy holders, so that the profits of this vast sum pay a large proportion of their annual premiums. This is unquestionably the very best Life Company doing business in this state.

NOTICE TO CONTRACTORS

AND

BUILDERS.

Important Discoveries and New Arrangements!

THE subscriber has discovered upon his premises a splendid

QUARRY OF FREESTONE,

which promises to surpass anything yet found in the state, as well as add to the many already developed resources of our city,

A Beautiful, Cheap and Durable Building Material,

He has made arrangements to work this, together with the justly celebrated

Monterey Lime Stone Quarry,

on a scale equal to the demands of our enterprising citizens, and in order to accommodate his numerous customers, he has made arrangements to keep constantly on hand a large supply of

ATHENS MARBLE

(or Chicago stone.) He is now fitting up extensive saw and scouring mills, and other machinery necessary for working the same, at a great reduction from former prices.

He also wishes to call attention to the fact that sound cutting or dimension stone can only be found at great distances from the surface, and that the Monterey Quarry is the only one in this county that has been worked far enough to reach those formations that are imperishable when exposed to the action of air and frost.

He is also supplying his Quarry with Derricks to facilitate the handling and loading large stone, and is fitting up expensive wagons, carts and trucks, rigged with the most approved appliances for moving and delivering dimension stone of any size, from two to thirty feet square, and from six to twenty inches thick, or any required length up to one hundred feet, to any part of the city or on board of the cars.

He is prepared to furnish

Cut Stone

of every description,

PLAIN, MOULDED, CARVED OR POLISHED FLAGGING

of any required dimension.

Curbing, Paving, Ruble and Coursing

stone of the best quality in the state, all of which will be delivered at his Quarries or any part of the city, to suit purchasers.

In conclusion, he begs to assure the public that from the superior quality of his materials, and facilities for furnishing, he can and will make it to their interests to patronize the Monterey Quarries.

☞ All Orders from the city or country will be promptly attended to.

THE above are *First Class, justly popular, and prompt paying* companies. They invite investigation into their condition and solicit business entirely upon their real merits. In point of solvency and reliability and honorable dealing, they have but *few equals, and no superiors.* They are founded upon the very best securities in the world—first class bonds and mortgages upon property in New York and Brooklyn—securities that have not, for the past ten years, depreciated below par, and are every way more reliable and permanent than railroad, bank, and other stocks, which are subject to the fluctuations of the market, and liable, *in times of panic,* as the experience of the past teaches, to become almost, if not entirely, valueless. And while there are Companies entering the field of competition, well calculated to mislead by publishing *partial and one-sided* statements of their condition, and without a cash surplus on hand sufficient to reinsure their outstanding risks, the above named companies always have and keep over and above their capital *twice* the amount, and in most instances *four* times, needed for the reinsurance of all their risks. With such a foundation, and with such a condition, they claim the right to look with confidence to the public for liberal patronage.

Policies issued without delay, and farms risks for a series of years taken at less rates than can be done by Mutual Companies, and a *certainty* given instead of an *uncertainty.* All losses promptly adjusted and paid.

New York Life Insurance Company,
CASH CAPITAL OVER $1,000,000

all well invested for the benefit of Policy holders, so that the profits of this vast sum pay a large proportion of their annual premiums. This is unquestionably the very best Life Company doing business in this state.

In fact it is the first and only bed spring I have been willing to use. Besides being exceedingly comfortable, it is at once simple, cleanly and durable. NOTICE TO CONTRACTORS
AND
BUILDERS.

Important Discoveries and New Arrangements!

THE subscriber has discovered upon his premises a splendid

QUARRY OF FREESTONE,

which promises to surpass anything yet found in the state, as well as add to the many already developed resources of our city,

A Beautiful, Cheap and Durable Building Material,

He has made arrangements to work this, together with the justly celebrated

Monterey Lime Stone Quarry,

on a scale equal to the demands of our enterprising citizens, and in order to accommodate his numerous customers, he has made arrangements to keep constantly on hand a large supply of

ATHENS MARBLE

(or Chicago stone.) He is now fitting up extensive saw and scouring mills, and other machinery necessary for working the same, at a great reduction from former prices.

He also wishes to call attention to the fact that sound cutting or dimension stone can only be found at great distances from the surface, and that the Monterey Quarry is the only one in this county that has been worked far enough to reach those formations that are imperishable when exposed to the action of air and frost.

He is also supplying his Quarry with Derricks to facilitate the handling and loading large stone, and is fitting up expensive wagons, carts and trucks, rigged with the most approved appliances for moving and delivering dimension stone of any size, from two to thirty feet square, and from six to twenty inches thick, or any required length up to one hundred feet, to any part of the city or on board of the cars.

He is prepared to furnish

Cut Stone
of every description,
PLAIN, MOULDED, CARVED OR POLISHED FLAGGIN
of any required dimension.
Curbing, Paving, Ruble and Coursing

stone of the best quality in the state, all of which will be delivered at his Quarries or any part of the city, to suit purchasers.

In conclusion, he begs to assure the public that from the superior quality of his materials, and facilities for furnishing, he can and will make it to their interests to patronize the Monterey Quarries.

☞ All Orders from the city or country will be promptly attended to.

THE above are *First Class, justly popular, and prompt paying* companies. They invite investigation into their condition and solicit business entirely upon their real merits. In point of solvency and reliability and honorable dealing, they have but *few equals, and no superiors.* They are founded upon the very best securities in the world—first class bonds and mortgages upon property in New York and Brooklyn—securities that have not, for the past ten years, depreciated below par, and are every way more reliable and permanent than railroad, bank, and other stocks, which are subject to the fluctuations of the market, and liable, *in times of panic,* as the experience of the past teaches, to become almost, if not entirely, valueless. And while there are Companies entering the field of competition, well calculated to mislead by publishing *partial and one-sided* statements of their condition, and without a cash surplus on hand sufficient to reinsure their outstanding risks, the above named companies always have and keep over and above their capital *twice* the amount, and in most instances *four* times, needed for the reinsurance of all their risks. With such a foundation, and with such a condition, they claim the right to look with confidence to the public for liberal patronage.

Policies issued without delay, and farms risks for a series of years taken at less rates than can be done by Mutual Companies, and a *certainty* given instead of an *uncertainty.* All losses promptly adjusted and paid.

New York Life Insurance Company,
CASH CAPITAL OVER - - $1,000,000

all well invested for the benefit of Policy holders, so that the profits of this vast sum pay a large proportion of their annual premiums. This is unquestionably the very best Life Company doing business in this state.

NOTICE TO CONTRACTORS

AND

BUILDERS.

Important Discoveries and New Arrangements!

THE subscriber has discovered upon his premises a splendid

QUARRY OF FREESTONE,

which promises to surpass anything yet found in the state, as well as add to the many already developed resources of our city,

A Beautiful, Cheap and Durable Building Material,

He has made arrangements to work this, together with the justly celebrated

Monterey Lime Stone Quarry,

on a scale equal to the demands of our enterprising citizens, and in order to accommodate his numerous customers, he has made arrangements to keep constantly on hand a large supply of

ATHENS MARBLE

(or Chicago stone.) He is now fitting up extensive saw and scouring mills, and other machinery necessary for working the same, at a great reduction from former prices.

He also wishes to call attention to the fact that sound cutting or dimension stone can only be found at great distances from the surface, and that the Monterey Quarry is the only one in this county that has been worked far enough to reach those formations that are imperishable when exposed to the action of air and frost.

He is also supplying his Quarry with Derricks to facilitate the handling and loading large stone, and is fitting up expensive wagons, carts and trucks, rigged with the most approved appliances for moving and delivering dimension stone of any size, from two to thirty feet square, and from six to twenty inches thick, or any required length up to one hundred feet, to any part of the city or on board of the cars.

He is prepared to furnish

Cut Stone

of every description,

PLAIN, MOULDED, CARVED OR POLISHED FLAGGIN

of any required dimension.

Curbing, Paving, Ruble and Coursing

stone of the best quality in the state, all of which will be delivered at his Quarries or any part of the city, to suit purchasers.

In conclusion, he begs to assure the public that from the superior quality of his materials, and facilities for furnishing, he can and will make it to their interests to patronize the Monterey Quarries.

☞ All Orders from the city or county will be promptly attended to.

"Sold His Interest."

The Democrat, after harping upon the idea, put forth by itself, that Mr. Graham's interests were all in Minnesota, now ridicules the statement that he has sold his property there. Like the wolf in the fable, the Democrat cannot be suited. It still insists that Mr. G. causes the mud to rile the stream, whether he is above or below the wolf—whether his interests are in Minnesota or not.

Who started this cry about the 'interests' of the candidates in this city? THE DEMOCRAT ITSELF. Now, when we show that Mr. Graham's interests are greater than Mr. Richardson's, and appeal to the tax roll for proof, it raises the hue and cry that we are sending *rich men* to the legislature in preference to *poor men*. It suddenly finds that its candidate does not appear to be as rich as common rumor at first declared. Then it sings the song about the poor man, and undertakes to raise a sympathy for its candidate, and a prejudice against ours, on that account.

But in the same paper, in another column, it answers the question, "must he be rich?" when it boasts of the wealth of Hamilton Richardson—tells us how much he has paid in taxes into the city and county treasury.

The statement there made must be utterly false. We do not believe Mr. Richardson pays $93,27 city taxes this year, for himself. The record does not show it. If, as agent for others, he pays this amount it ought not to be credited to himself. If he pays other men's taxes, his brother's, his father's, or his cousin's, let them have the benefit of it, and not Hamilton Richardson, the candidate. The record shows that his taxes this year amount to **$10,88,** and no more. We invite the tax-payers of this city to look at the RECORD, and not to to the columns of the Democrat for proof.

If Hamilton Richardson is a "well to do" citizen, he shirks the responsibilities of such a citizen, by not paying his taxes. If he has personal property HE DOES NOT LIST IT—if he has real estate, it is nearly all of it in some other person's name.—Is such a man, supposing the statement of the Democrat to be true, fit to represent this city in the legislature?

Watch the Illegal Voters.

If any one is suspected on good grounds of illegal voting we trust they will be promptly arrested. Let us make our election laws respected. The man who would put a fraudulent vote into the ballot box, would steal one out if he had an opportunity.

LOOK TO LEGISLATURE.—Let us have a united republican delegation in the legislature, in this county, and to secure it let every republican vote for Alexander Graham.

☞ Our opponents give it up that the republicans are to have a majority in the next legislature. If this is so, will out city interests be promoted by sending a democrat to the legislature to work with the minority?

When you are offered a great bargain, the value of which you know nothing about, but which you are to get at half price, "being you," don't you take it.

Do the Republicans Nominate Mechanics.

The Democrat blows a remarkable strain on the organ this morning; it is doleful in the extreme, and false as usual. It charges the Gazette and the republican party with being inimical to the interests of the mechanic and laborer. We pronounce the whole of this article, both as to its charges and insinuations false and malicious, and appeal to the nominees for offices in this county as proof of what we say. The head of our county ticket is a poor man and a mechanic, a blacksmith. The next is a farmer, and so is the next. Our candidate for clerk of the court is a printer. Our clerk of the board of supervisors is a wagonmaker. Our coroner a farmer and our county surveyor is a hard working industrous engineer. Every nominee on our county ticket is a mechanic or farmer except that of district attorney; and of the five republican candidates for assembly, three are farmers, one a physician and the other is Mr. Graham, who has been a farmer and always a laboring man.

Our candidate for the state senate is a farmer and so was his predecessor, and yet in the face of these facts the Democrat has the hardihood to charge us with caring nothing for the laboring man but only for the nigger; and stultifies itself and insults the intelligence of our mechanics by making such a charge and appeal.

We assert unequivocally, and our mechanics and laborers know it, that the principles and policy of the republican party are not only more just toward the black man but are infinitely better for the white man, than those of the sham democracy. Ours is the party of freedom and free labor; theirs is the party of slavery and slave labor. How is it with Mr. Richardson? Is he a mechanic? Is he a laboring man? Did he ever with his own hands produce a single dollar's worth of wealth? We pause for a reply.

A FALSE PRETENCE.

The Democrat, for very obvious reasons disparages the chances of a democratic majority in the legislature. It asserts that republicans in this city "can vote for Mr. Richardson, *without in the least periling the election* of a republican to the senate." We assert that there is danger of the democrats obtaining the control of the next legislature, and they *will certainly do so*, if republicans in districts like the city of Janesville desert their own candidates to vote for democrats. In the changeable character of local politics, the legislature is always an uncertain body, and notwithstanding all denials, the hope of securing the legislature to be now chosen, is what is inciting the desperate efforts to defeat Mr. Graham. There is a concerted effort throughout the state, by the democrats, of the same nature as that going on here, and to-morrow any candidate on the democratic ticket, commencing with the presidential electors and ending with coroner, will be offered in trade for a vote for an assemblyman. This will not be done here from any love or respect to Mr. Richardson, but solely to carry out the scheme for a *democratic* majority in the legislature. Last year five republicans were elected to the assembly by an aggregate majority of seventy-three—D. C. Jenne by *one* majority in Outgamie county; L. S. Baldwin by *nineteen* in Racine county; J. C. Lewis by *twenty-three* in Fond du Lac county; G. B. Goodwin by *seven* in Winnebago county; and Albert Wood by *twenty-three* in Adams and Juneau county. A change of thirty-seven votes at the election would have made a change of ten votes in the legislature.

Aside from them *and other close districts*, which are as likely to go for the democrats now as for the republicans, under the influence of the farm mortgage question or other distracting issues, we now recal to mind *two* independent republican candidates in Walworth county, *one* in Grant county, *one* in Jackson, Trempeleau and Buffalo counties, *one* in Waushara county, and *two* in Columbia. Here are SEVEN independent republican candidates in republican districts, and there is danger that in consequence of the division among republicans in those districts, a *democrat* may be elected in each. This would make a change of FOURTEEN in the legislature, and if those five close districts of last year should be carried by our opponents, there would be a total change of TWENTY-FOUR in the legislature—*enough to change it from a republican to a democratic body.*

We tell our friends candidly and earnestly that they cannot afford to lose the member in this city, and all the assertions to the contrary are intended to deceive republicans and aid in the execution of the scheme that is working throughout the state to secure the legislature, and elect a democrat to the Unitdd States Senate, and district the state against the republicans. The Madison Argus did not speak without calculation or hope when it published the following article, which we copied ten days ago:

THE LEGISLATURE.—We advise the republican rivals for the United States senatorship to not count with any very great certainty on the prospect that anybody of that stripe will be the lucky man. The best laid schemes, we are told with almost the unction of prophecy, "gang aft agles." There is no sure thing that the republicans will have the legislature, at all. They may have the senate, but the few changes likely to take place, of which we are already advised, are enough to make the assembly close, if not to entirely change its complexion. We trust these gentlemen will not become so excited on the subject before the election as to be severely and deeply disappointed if all their chances are destroyed by the result.—*Madison Argus.*

The duty of the republicans of this city is plain. *It is to vote for Mr. Graham,* and resist with all their power the attempt to defeat him. HIS VOTE IN THE LEGISLATURE MAY ELECT A U. S. SENATOR, and give the republicans the power to control its legislation.

☞ We repeat the statement that HAMILTON RICHARDSON *is not on the tax roll for a cent of personal tax.* If he is a "well to do" citizen, has he no carriage, horse and buggy, gold watch? Has he nothing to be taxed? No money at interest or in county and city orders, or city tax certificates? He is reputed to be dealing in this kind of paper.

If he is a wealthy citizen he ought to have some personal tax. Almost every one in the city pays something.

The Good Time By-and-By.

When shall those who now in bondage mourn,
And its cruel yoke who long have borne,
Hail the glorious time we long to see,
When the oppressed shall all be free!

CHORUS.

Hope on, hope ever, trustful we'll sing,
Who knows what wondrous changes time may bring.
Onward every one, with firm, unwavering heart,
In the cause of Right still bear our part—
And O, the glorious time for which we ever sigh,
It is coming by-and-by.

II.

When shall those who fill our native land,
In the cause of *freedom* boldly stand?
When shall union dwell in every breast,
Making all supremely blest?
Hope on, &c.

III.

When shall hostile factions war no more,
When their bitter thoughts of strife be o'er?
When shall every note discordant cease,
In the quiet song of peace?
Hope on, &c.

IV.

When shall love to all so pure and free,
Teach us how to treat the wrongs we see,
Joining heart and hand the true and brave,
Every sorrowing one to save?
Hope on, &c.

Election, November 6th.

Polls to be Opened at 9 o'clock A. M., and kept open till Sundown.

The election of Electors who will vote for President and Vice President of the United States, of a Member of Congress in each Congressional district of the state, of County Officers and Members of the Legislature, will be held on Tuesday next, the 6th of November. The polls are to be opened at 9 o'clock A. M., by law, and must be kept open till sundown, except that the board of inspectors may adjourn at 12 M., for one hour.

QUALIFICATIONS FOR VOTING.

The Revised statutes provide as follows—see chapter 7:

SECTION 1. Every male person of the age of twenty-one years or upward, belonging to each of the following classes, who shall have resided in the state for one year next preceding any election, shall be deemed a qualified voter at such election:—

1. White citizens of the United States.

2. White persons of foreign birth, who shall have declared their intention to become citizens, conformably to the laws of the United States on the subject of naturalization.

3. Persons of Indian blood, who have once been declared by law of congress to be citizens of the United States, any subsequent law of congress to the contrary notwithstanding.

SECTION 2. No person under guardianship, *non compos mentis*, or insane, shall be qualified to vote at any election; nor shall any person convicted of treason, felony, or bribery, unless restored to civil rights; nor shall any person, who, being an inhabitant of this state, may hereafter be engaged, directly or indirectly, in a duel, either as principal or accessory, be permitted to vote at any election; nor shall any person who shall have made or become directly or indirectly interested in any bet or wager depending upon the result of any election at which he shall offer to vote, be permitted to vote at such election.

PENALTIES FOR ILLEGAL VOTING.

Imprisonment in the county jail for not less than one month and not more than six months, for voting in the township or ward where the voter does not actually reside.

For going into any county, town or ward, and voting, not being a resident thereof—*imprisonment in the state prison, at hard labor, for not more than two nor less than one year.*

For non-residents of the state, voting—*imprisonment in the state prison for not more than three nor less than one year.*

For voting, if not a resident of the state for one year,—or if not twenty-one years of age,—or if not a citizen of the United States, or not having declared his intentions to become such—*imprisonment in the county jail not more than six nor less than two months.*

For aiding, assisting or advising another to go into any town or ward, knowing such person is not entitled to vote there—*imprisonment in the state prison, at hard labor, not more than three nor less than one year.*

For bribing any voter to influence his vote, or threatening such voter for that purpose—*a fine of not less than* $500 *nor more than* $1,000, *and imprisonment in the county jail for not more than twelve nor less than three months.*

For giving a voter who cannot read, a ticket and representing that it contains names different from those printed thereon, in order to induce him to vote contrary to his inclination—*imprisonment in the state prison, at hard labor, not more than two nor less than one year.*

EXAMINE YOUR TICKETS.

To prevent any mistakes in your ballot, compare it with the names in our paper.—Bogus tickets may be afloat, and a fraud may be attempted particularly in the presidential electors. The REPUBLICAN ELECTORS are

Walter D. McIndoe,
Bradford Rixford,
Wm. W. Vaughn,
J. Allen Barber,
Herman Lindeman.

And while you are careful about the electors, don't neglect the congressional, senatorial, assembly and county ticket. The names are all at the commencement of the page of this week's paper.

A CLEAN BALLOT.

Don't deface your ballot by scratching it. A clean ballot looks handsome and shows the true colors. A scratched ballot has a bad look. Don't try to ornament your ticket by a display of good penmanship, or mar it by poor writing.

CAUTION.—Our republican friends are cautioned to look well to their tickets. The names of candidates should all be examined before voting, to see that they are right. There may be split tickets in circulation.

A LAST WORD.

While the interest of the election seems to be absorbed in the contest for assemblymen in this city, we trust there are men who will, at the polls, look after the WHOLE TICKET, especially the candidates for president and congressman.

The national question is the greatest ever submitted to a people. It is whether FREE LABOR shall rule this republic, or whether SLAVERY shall spread all over it.

Now friends, workers at the polls, we entreat of you, by all fair and honorable means, to swell the vote for LINCOLN and HANCHETT. The one is to execute the laws of the nation, and the other, who is to assist in making them. Strike for an OVERWHELMING MAJORITY, so that ABRAHAM LINCOLN will go into the presidential chair well backed up by a TOWERING POPULAR VOTE.

Republicans! EVERY MAN is expected to do his duty to-morrow. Give one day wholly and entirely to your country; work with a firm and unconquerable will, and VICTORY will crown our standard.

The angel of God's blessing
Encamps with Freedom on the field of fight;
Still to her banner, day by day, are pressing,
Unlooked for allies, striking for the right!
Courage then, Northern hearts! Be firm, be true!
What other brave men have done, can ye not also do?

The State Senator.

The Democrat of this morning has not a word about Mr. Foot and the railroad west of us. That is reserved for one of the "last cards" of to-morrow. The cry will be raised by the same set of politicians who sold out the business interests of Janesville, and would do it again, that Mr. Foot is interested in the Madison and Beloit railroad, and therefore will be against us.

The truth is that Mr. Foot has no interest in completing that road—it is already finished beyond the village where he lives, and thanks to leading democratic politicians of Janesville, it has a charter to Madison.

Republicans of this city! vote for Mr. Foote. He has no interest in opposition to yours, but much in common. He is a true man, a good republican and honestly and fairly nominated. Vote for him.

Give Them the Figures.

When any republican is asked to vote for Mr. Richardson because one vote in the legislature is of no consequence, refer the democrat who makes that appeal to the five districts in which republicans were elected by an aggregate vote, of *seventy-three*, and the *seven* districts where independent republicans are running, in which democrats, thro' the folly of our friends, are likely to elect the democratic candidates. Here are TWELVE districts we ought to have, but may lose them all, and if we lose them there is a change of TWENTY-FOUR against us.

In this connection, remember that the republican majority on joint ballot in the last legislature, was only *twenty-one*—four in the senate, and 17 in the assembly. The republicans were stronger in that legislature than in any other since the organisation of their party. The loss of these districts where independent candidates are running and *four* of the close districts, would give the democrats a majority in the legislature, if all the other districts go as they did last year.

Is it not an insult to a republican of the city of Janesville to ask him to aid in the scheme of stealing the legislature from the republicans, in order that the democrats may have all the vast benefits accuring from a majority there?

The loss of a United States Senator from Wisconsin may defer for years the political redemption of the stronghold of slavery in the federal government. Its construction is such, in the division of parties, that *one vote* in it may make it the ally of FREEDOM or SLAVERY.

What republican is willing to assume the responsibility of even endangering the return of a republican member from the free state of Wisconsin?

TURN OUT!

Let Republicans turn out to the meeting to night, at the court room. There will be numerous short speeches, and good ones.—Let us prepare for the work to-morrow. There will be several spirited and patriotic songs sung by the Wide Awake Glee club, assisted by Mr. D. D. Wilson, and other gentlemen.

Who is "Mr. Richardson?"

It will be noticed that the Democrat does not talk about Hamilton Richardson in its article claiming the large amount of taxes paid, but it is *Mr. Richardson.* Is this a convenient DODGE? Does "Mr. Richardson" represent Hamilton Richardson, or is it the whole family? How is this?

Look out for them.

There are a good many strangers in town, who do not look like travelers. Such men may visit the polls—Challenge every man whom you do not know to be a voter.

☞ The Democrat speaks derisively of Mr. Graham's eloquence. Who ever heard Ham. Richardson make a speech? Why, he has not usually eloquence enough to say "good morning" to a poor man on the street.

Smell His Breath.

When the democrats who are "blowing" about Mr. Graham and saloons, commences talking, just smell of his breath, and ask him *if liquor* is the price of a voter, how it happens that Mr. Graham has not bought *him.*

BULLYING.—The South, with the aid of the administration has been engaged in bullying the north against voting for LINCOLN, by threatening a dissolution of the Union. What answer would we make if a foreign nation should undertake to excite our fears by threats? Let us make them understand that we are not cowards to be frightened at their threats.

The ninth volume of Bancroft's History of the United States is nearly ready for the press.

A Villainous Scheme!

Look Out For It!

We have information that the democrats intend to print and put in circulation to-morrow counterfeit republican tickets with the name of WM. J. GRAHAM, (the democratic candidate for county treasurer,) for assemblyman in this city, in place of ALEXANDER GRAHAM, the republican candidate for that office.

Let every republican EXAMINE HIS TICKET CLOSELY before voting. No fraud will be too great for the democrats, who are aiming at the legislature, to attempt.

Watch Your Tickets!

Every man who gives out or votes a republican ticket to-morrow should *know to a certainty* that it is all right. Frauds on the ballots will be attempted by the democracy. No device can be too rascally in its character to be discarded.

WATCH CLOSELY, AND BE SURE YOUR TICKET IS RIGHT.

A Dangerous Experiment.

The charge of the Democrat that the "Saloon" influence of the city is in favor of Mr. Graham is a dangerous one for the democracy. It is a charge that the saloon men *can be and have been purchased.* How will they relish this estimate of their character and political integrity?

United States Senator.

Remember that a United States senator is to be elected this winter in this state, and that is the only reason why the democrats of this city have dropped every thing else and pitched in to elect their candidate for assembly. They hope, here and there, through the state, to divide the republicans in a sufficient number of districts, to get a majority on joint ballot. Every vote for a democratic assemblyman and senator is a *direct vote for a democratic United States senator,* and no republican who wants a republican U. S. senator can consistently cast his ballot for a democratic assemblyman or senator in the legislature. The excuse which the democrats make that it will make no difference, because the republicans will have the legislature, is a delusion. Vote the straight ticket; in *that* there is safety, and in no other way.

WHAT IS HIS BUSINESS?

Since the Democrat thinks it proper to speak of the private business of our candidate for assembly so often, it is not unfair to ask, what is Mr. Richardson's business here?—Can anybody tell what he has been doing with his immense, *untaxed* wealth, since he came back from California? Has he engaged in any legitimate business, which promotes the interests and welfare of the city? Not at all; he has notoriously been SHAVING COUNTY and CITY ORDERS; putting his money at interest at the highest rate possible; and thus living upon the labor of others, without doing anything himself. He works with his Capital. Now, when he gets to the legislature, if he ever does, his interest there, and we doubt not his VOTE, also, will be against labor and in favor of Capital. It is the policy of the people of this State to gradually reduce the rate of interest and thus emancipate the working men from the control of Capital. The rate of interest has been reduced to ten per cent. which is all that it is worth now, and more than any legitimate business can afford to pay. The Capitalists of this State will ask the legislature to REPEAL THE INTEREST LAW. Now, how will Hamilton Richardson naturally vote on this question? He is a Capitalist—a money lender—and his sympathies, and we doubt not his vote, will be with his class. Can the business men, the laboring men of Janesville afford to be thrown into the hands of money Shavers? Let them answer at the ballot box.

THE TRUTH is, Mr. Graham has so far overcome his repugnance to these "institutions," [saloons] as to go inside of them, on more occasions than one, with his friends—*to invite them to drink, and pay for what they drank, after they had done so.*—*Daily Democrat.*

This charge is a fair illustration of the whole series against Mr. Graham, and a circumstance which occurred at the Hyatt House last evening is a sample of the lowness and meanness to which the enemies of Mr. Graham have descended in their opposition to him. Mr. Graham had occasion to call there to see a friend. When he entered, he found a conclave of democrats engaged in exercises not strictly of a religious character. He boisteronsly invited to drink, but declined to do so, telling his *disinterested* FRIENDS (!) that he had not drank a glass of liquor in Janesville, and did not propose to begin then. While there, two young men, one of them a son of a friend of Mr. Graham's family, so urgently pressed an invitation that he consented to take a glass of lemonade with him.

This morning the street has been ringing with the charge that Mr. Graham paid for liquor at the Hyatt House Sabbath evening, and got two young men drunk. And men have been engaged in repeating the story, who would be consideren insulted if their claims to the character of *gentlemen* were in the least questioned.

Look out for stories of the same character in to-morrow morning's Democrat.—The fountain of detraction has been opened, and will flow like a torrent.

We say again, we do not care a straw whether Mr. Richardson is a rich man or not.—*Democrat.*

That is all pretence. You nominated Mr. Richardson because he was rich and able to be bled for electioneering purposes. You defeated Mr. Stoddard because he was not supposed to be able to stand the expenses of this election. That is the way the thing looks to an outsider. Mechanics and working men stand no chance in the democratic party for nominations, because the leaders always clamor for money to be used in the election.

☞ Pioneers! Old Abe is the man who understands the wants of the west.—Vote for him.

STAY AT THE POLLS.

Much good is always effected by a strong representation at the polls. Besides being on the ground as a committee of vigilance, it gives encouragement and faith to all concerned. It also ensures a better knowledge of those who have not yet come and must be sent for. Keep, therefore, a good force about the ballot box, MORNING, NOON and until the POLLS CLOSE.

VOTE EARLY.

An early vote is an essential aid. It not only shows willingness and heartiness in the cause, *but it gives a good start to a good day's work.* And, moreover, those who vote early have time and opportunity to think of others who have not voted. Go early, then, and stay late. You can well afford *one day* for your country.

Expel the school teacher from your midst and set fire to your magnificent High School building at once. They are all utterly useless, aye, worse than useless to yourselves or your children—for, according to the Gazette, *none but the rich* are fit to go to the legislature—none but the heavy taxpayer should make your laws for you.—*Democrat.*

We invite all men to look into the columns of the Gazette, and if they can find any doctrine like the above, we will never publish another number. If what the Democrat says is true, we should hold ourselves altogether unfit to publish a newspaper in an enlightened community. It is such miserable falsehoods as these which that sheet has daily spread before the people since the publication of its first number. It is not surprising that it is altogether without character for truth or decency.

The question as to the wealth of the two candidates was not initiated by us. The Democrat first boasted of the superior "interests" of Mr. Richardson, and we compared the "interests" of the two candidates, as tested by the tax roll, not a whit to the satisfaction of the Democrat.—Hence the fluttering—hence the above baseless charge.

The Skies are Bright!

The prospect of electing Lincoln could not be better. New York will roll up a grand majority—so will Pennsylvania, Illinois, Indiana and Ohio. It looks now as if EVERY free state would vote for LINCOLN and HAMLIN. Even California and Oregon may be expected to join in electing Honest Old Abe. Our latest intelligence leads us to look for such a result.—We even have hopes of Delaware. Work friends that we may not be ashamed of our Wisconsin majority, as there will be some tall figures in many of the states, as the result of Tuesday's work.

☞ One voter in South Carolina has as much power in choosing a president as seven voters in Wisconsin. This advantage is gained by the slave system. Do we wish to make another South Carolina in a new territory? If not, vote for LINCOLN, HAMLIN and HANCHETT, who are pledged to restrain slavery from going into the territories.

"Sold His Interest."

The Democrat, after harping upon the idea, put forth by itself, that Mr. Graham's interests were all in Minnesota, now ridicules the statement that he has sold his property there. Like the wolf in the fable, the Democrat cannot be suited. It still insists that Mr. G. causes the mud to rile the stream, whether he is above or below the wolf—whether his interests are in Minnesota or not.

Who started this cry about the 'interests' of the candidates in this city? THE DEMOCRAT ITSELF. Now, when we show that Mr. Graham's interests are greater than Mr. Richardson's, and appeal to the tax roll for proof, it raises the hue and cry that we are sending *rich men* to the legislature in preference to *poor men*. It suddenly finds that its candidate does not appear to be as rich as common rumor at first declared. Then it sings the song about the poor man, and undertakes to raise a sympathy for its candidate, and a prejudice against ours, on that account.

But in the same paper, in another column, it answers the question, "must he be rich?" when it boasts of the wealth of Hamilton Richardson—tells us how much he has paid in taxes into the city and county treasury.

The statement there made must be utterly false. We do not believe Mr. Richardson pays $93,27 city taxes this year, for himself. The record does not show it. If, as agent for others, he pays this amount it ought not to be credited to himself. If he pays other men's taxes, his brother's, his father's, or his cousin's, let them have the benefit of it, and not Hamilton Richardson, the candidate. The record shows that his taxes this year amount to **$10,88,** and no more. We invite the tax-payers of this city to look at the RECORD, and not to the columns of the Democrat for proof.

If Hamilton Richardson is a "well to do" citizen, he shirks the responsibilities of such a citizen, by not paying his taxes. If he has personal property HE DOES NOT LIST IT—if he has real estate, it is nearly all of it in some other person's name.—Is such a man, supposing the statement of the Democrat to be true, fit to represent this city in the legislature?

Watch the Illegal Voters.

If any one is suspected on good grounds of illegal voting we trust they will be promptly arrested. Let us make our election laws respected. The man who would put a fraudulent vote into the ballot box, would steal one out it he had an opportunity.

LOOK TO LEGISLATURE.—Let us have a united republican delegation in the legislature, in this county, and to secure it let every republican vote for Alexander Graham.

☞ Our opponents give it up that the republicans are to have a majority in the next legislature. If this is so, will out city interests be promoted by sending a democrat to the legislature to work with the minority?

When you are offered a great bargain, the value of which you know nothing about, but which you are to get at half price, "being you," don't you take it.

Do the Republicans Nominate Mechanics.

The Democrat blows a remarkable strain on the organ this morning; it is doleful in the extreme, and false as usual. It charges the Gazette and the republican party with being inimical to the interests of the mechanic, and laborer. We pronounce the whole of this article, both as to its charges and insinuations false and malicious, and appeal to the nominees for offices in this county as proof of what we say. The head of our county ticket is a poor man and a mechanic, a blacksmith. The next is a farmer, and so is the next. Our candidate for clerk of the court is a printer. Our clerk of the board of supervisors is a wagonmaker. Our coroner a farmer and our county surveyor is a hard working industrous engineer. Every nominee on our county ticket is a mechanic or farmer except that of district attorney; and of the five republican candidates for assembly, three are farmers, one a physician and the other is Mr. Graham, who has been a farmer and always a laboring man.

Our candidate for the state senate is a farmer and so was his predecessor, and yet in the face of these facts the Democrat has the hardihood to charge us with caring nothing for the laboring man but only for the nigger; and stultifies itself and insults the intelligence of our mechanics by making such a charge and appeal.

We assert unequivocally, and our mechanics and laborers know it, that the principles and policy of the republican party are not only more just toward the black man but are infinitely better for the white man, than those of the sham democracy. Ours is the party of freedom and free labor; theirs is the party of slavery and slave labor. How is it with Mr. Richardson? Is he a mechanic? Is he a laboring man? Did he ever with his own hands produce a single dollar's worth of wealth? We pause for a reply.

A FALSE PRETENCE.

The Democrat, for very obvious reasons disparages the chances of a democratic majority in the legislature. It asserts that republicans in this city "can vote for Mr. Richardson, *without in the least periling the election* of a republican to the senate." We assert that there is danger of the democrats obtaining the control of the next legislature, and they *will certainly do so*, if republicans in districts like the city of Janesville desert their own candidates to vote for democrats. In the changeable character of local politics, the legislature is always an uncertain body, and notwithstanding all denials, the hope of securing the legislature to be now chosen, is what is inciting the desperate efforts to defeat Mr. Graham. There is a concerted effort throughout the state, by the democrats, of the same nature as that going on here, and to-morrow any candidate on the democratic ticket, commencing with the presidential electors and ending with coroner, will be offered in trade for a vote for an assemblyman. This will not be done here from any love or respect to Mr. Richardson, but solely to carry out the scheme for a *democratic* majority in the legislature. Last year five republicans were elected to the assembly by an aggregate majority of seventy-three—D. C. Jenne by *one* majority in Outgamie county; L. S. Baldwin by *nineteen* in Racine county; J. C. Lewis by *twenty-three* in Fond du Lac county; G. B. Goodwin by *seven* in Winnebago county; and Albert Wood by *twenty-three* in Adams and Juneau county. A change of thirty-seven votes at the election would have made a change of ten votes in the legislature.

Aside from them *and other close districts*, which are as likely to go for the democrats now as for the republicans, under the influence of the farm mortgage question or other distracting issues, we now recal to mind *two* independent republican candidates in Walworth county, *one* in Grant county, *one* in Jackson, Trempeleau and Buffalo counties, *one* in Waushara county, and *two* in Columbia. Here are SEVEN independent republican candidates in republican districts, and there is danger that in consequence of the division among republicans in those districts, a *democrat* may be elected in each. This would make a change of FOURTEEN in the legislature, and if those five close districts of last year should be carried by our opponents, there would be a total change of TWENTY-FOUR in the legislature—*enough to change it from a republican to a democratic body.*

We tell our friends candidly and earnestly that they cannot afford to lose the member in this city, and all the assertions to the contrary are intended to deceive republicans and aid in the execution of the scheme that is working throughout the state to secure the legislature, and elect a democrat to the Unitdd States Senate, and district the state against the republicans. The Madison Argus did not speak without calculation or hope when it published the following article, which we copied ten days ago:

THE LEGISLATURE.—We advise the republican rivals for the United States senatorship to not count with any very great certainty on the prospect that anybody of that stripe will be the lucky man. "The best laid schemes," we are told with almost the unction of prophecy, "gang aft agley." There is no sure thing that the republicans will have the legislature, at all. They may have the senate, but the few changes likely to take place, of which we are already advised, are enough to make the assembly close, if not to entirely change its complexion. We trust these gentlemen will not become so excited on the subject before the election as to be severely and deeply disappointed if all their chances are destroyed by the result.—*Madison Argus.*

The duty of the republicans of this city is plain. *It is to vote for Mr. Graham*, and resist with all their power the attempt to defeat him. HIS VOTE IN THE LEGISLATURE MAY ELECT A U. S. SENATOR, and give the republicans the power to control its legislation.

☞ We repeat the statement that HAMILTON RICHARDSON *is not on the tax roll for a cent of personal tax.* If he is a "well to do" citizen, has he no carriage, horse and buggy, gold watch? Has he nothing to be taxed? No money at interest or in county and city orders, or city tax certificates? He is reputed to be dealing in this kind of paper.

If he is a wealthy citizen he ought to have some personal tax. Almost every one in the city pays something.

The Good Time By-and-By.

When shall those who now in bondage mourn,
And its cruel yoke who long have borne,
Hail the glorious time we long to see,
When the oppressed shall all be free!

CHORUS.

Hope on, hope ever, trustful we'll sing,
Who knows what wondrous changes time may bring.
Onward every one, with firm, unwavering heart,
In the cause of Right still bear our part—
And O, the glorious time for which we ever sigh,
It is coming by-and-by.

II.

When shall those who fill our native land,
In the cause of *freedom* boldly stand?
When shall union dwell in every breast,
Making all supremely blest?
Hope on, &c.

III.

When shall hostile factions war no more,
When their bitter thoughts of strife be o'er?
When shall every note discordant cease,
In the quiet song of peace?
Hope on, &c.

IV.

When shall love to all so pure and free,
Teach us how to treat the wrongs we see,
Joining heart and hand the true and brave,
Every sorrowing one to save?
Hope on, &c.

PENALTIES FOR ILLEGAL VOTING.

Imprisonment in the county jail for not less than one month and not more than six months, for voting in the township or ward where the voter does not actually reside.

For going into any county, town or ward, and voting, not being a resident thereof—*imprisonment in the state prison, at hard labor, for not more than two nor less than one year.*

For non-residents of the state, voting—*imprisonment in the state prison for not more than three nor less than one year.*

For voting, if not a resident of the state for one year,—or if not twenty-one years of age,—or if not a citizen of the United States, or not having declared his intentions to become such—*imprisonment in the county jail not more than six nor less than two months.*

For aiding, assisting or advising another to go into any town or ward, knowing such person is not entitled to vote there—*imprisonment in the state prison, at hard labor, not more than three nor less than one year.*

For bribing any voter to influence his vote, or threatening such voter for that purpose—*a fine of not less than* $500 *nor more than* $1,000, *and imprisonment in the county jail for not more than twelve nor less than three months.*

For giving a voter who cannot read, a ticket and representing that it contains names different from those printed thereon, in order to induce him to vote contrary to his inclination—*imprisonment in the state prison, at hard labor, not more than two nor less than one year.*

EXAMINE YOUR TICKETS.

To prevent any mistakes in your ballot, compare it with the names in our paper.—Bogus tickets may be afloat, and a fraud may be attempted particularly in the presidential electors. The REPUBLICAN ELECTORS are

Walter D. McIndoe,
Bradford Rixford,
Wm. W. Vaughn,
J. Allen Barber,
Herman Lindeman.

And while you are careful about the electors, don't neglect the congressional, senatorial, assembly and county ticket. The names are all at the commencement of the page of this week's paper.

A CLEAN BALLOT.

Don't deface your ballot by scratching it. A clean ballot looks handsome and shows the true colors. A scratched ballot has a bad look. Don't try to ornament your ticket by a display of good penmanship, or mar it by poor writing.

CAUTION.—Our republican friends are cautioned to look well to their tickets. The names of candidates should all be examined before voting, to see that they are right. There may be split tickets in circulation.

A LAST WORD.

While the interest of the election seems to be absorbed in the contest for assemblymen in this city, we trust there are men who will, at the polls, look after the WHOLE TICKET, especially the candidates for president and congressman.

The national question is the greatest ever submitted to a people. It is whether FREE LABOR shall rule this republic, or whether SLAVERY shall spread all over it.

Now friends, workers at the polls, we entreat of you, by all fair and honorable means, to swell the vote for LINCOLN and HANCHETT. The one is to execute the laws of the nation, and the other, who is to assist in making them. Strike for an OVERWHELMING MAJORITY, so that ABRAHAM LINCOLN will go into the presidential chair well backed up by a TOWERING POPULAR VOTE.

Republicans! EVERY MAN is expected to do his duty to-morrow. Give one day wholly and entirely to your country; work with a firm and unconquerable will, and VICTORY will crown our standard.

The angel of God's blessing
Encamps with Freedom on the field of fight;
Still to her banner, day by day, are pressing,
Unlooked for allies, striking for the right!
Courage then, Northern hearts! Be firm, be true!
What other brave men have done, can ye not also do?

The State Senator.

The Democrat of this morning has not a word about Mr. Foot and the railroad west of us. That is reserved for one of the "last cards" of to-morrow. The cry will be raised by the same set of politicians who sold out the business interests of Janesville, and would do it again, that Mr. Foot is interested in the Madison and Beloit railroad, and therefore will be against us.

The truth is that Mr. Foot has no interest in completing that road—it is already finished beyond the village where he lives, and thanks to leading democratic politicians of Janesville, it has a charter to Madison.

Republicans of this city! vote for Mr. Foote. He has no interest in opposition to yours, but much in common. He is a true man, a good republican and honestly and fairly nominated. Vote for him.

Give Them the Figures.

When any republican is asked to vote for Mr. Richardson because one vote in the legislature is of no consequence, refer the democrat who makes that appeal to the five districts in which republicans were elected by an aggregate vote, of *seventy-three*, and the *seven* districts where independent republicans are running, in which democrats, thro' the folly of our friends, are likely to elect the democratic candidates. Here are TWELVE districts we ought to have, but may lose them all, and if we lose them there is a change of TWENTY-FOUR against us.

In this connection, remember that the republican majority on joint ballot in the last legislature, was only *twenty-one*—four in the senate, and 17 in the assembly. The republicans were stronger in that legislature than in any other since the organization of their party. The loss of these districts where independent candidates are running and *four* of the close districts, would give the democrats a majority in the legislature, if all the other districts go as they did last year.

Is it not an insult to a republican of the city of Janesville to ask him to aid in the scheme of stealing the legislature from the republicans, in order that the democrats may have all the vast benefits accuring from a majority there?

The loss of a United States Senator from Wisconsin may defer for years the political redemption of the stronghold of slavery in the federal government. Its construction is such, in the division of parties, that *one vote* in it may make it the ally of FREEDOM or SLAVERY.

What republican is willing to assume the responsibility of even endangering the return of a republican member from the free state of Wisconsin?

TURN OUT!

Let Republicans turn out to the meeting to night, at the court room. There will be numerous short speeches, and good ones.—Let us prepare for the work to-morrow. There will be several spirited and patriotic songs sung by the Wide Awake Glee club, assisted by Mr. D. D. Wilson, and other gentlemen.

Who is "Mr. Richardson?"

It will be noticed that the Democrat does not talk about Hamilton Richardson in its article claiming the large amount of taxes paid, but it is *Mr. Richardson.* Is this a convenient DODGE? Does "Mr. Richardson" represent Hamilton Richardson, or is it the whole family? How is this?

Look out for them.

There are a good many strangers in town, who do not look like travelers. Such men may visit the polls—Challenge every man whom you do not know to be a voter.

☞ The Democrat speaks derisively of Mr. Graham's eloquence. Who ever heard Ham. Richardson make a speech? Why, he has not usually eloquence enough to say "good morning" to a poor man on the street.

Smell His Breath.

When the democrats who are "blowing" about Mr. Graham and saloons, commences talking, just smell of his breath, and ask him *if liquor* is the price of a voter, how it happens that Mr. Graham has not bought *him.*

BULLYING.—The South, with the aid of the administration has been engaged in bullying the north against voting for LINCOLN, by threatening a dissolution of the Union. What answer would we make if a foreign nation should undertake to excite our fears by threats? Let us make them understand that we are not cowards to be frightened at their threats.

The ninth volume of Bancroft's History of the United States is nearly ready for the press.

A Villainous Scheme!

Look Out For It!

We have information that the democrats intend to print and put in circulation tomorrow counterfeit republican tickets with the name of WM. J. GRAHAM, (the democratic candidate for county treasurer,) for assemblyman in this city, in place of ALEXANDER GRAHAM, the republican candidate for that office.

Let every republican EXAMINE HIS TICKET CLOSELY before voting. No fraud will be too great for the democrats, who are aiming at the legislature, to attempt.

Watch Your Tickets!

Every man who gives out or votes a republican ticket to-morrow should *know to a certainty* that it is all right. Frauds on the ballots will be attempted by the democracy. No device can be too rascally in its character to be discarded.

WATCH CLOSELY, AND BE SURE YOUR TICKET IS RIGHT.

A Dangerous Experiment.

The charge of the Democrat that the "Saloon" influence of the city is in favor of Mr. Graham is a dangerous one for the democracy. It is a charge that the saloon men *can be and have been purchased.* How will they relish this estimate of their character and political integrity?

United States Senator.

Remember that a United States senator is to be elected this winter in this state, and that is the only reason why the democrats of this city have dropped every thing else and pitched in to elect their candidate for assembly. They hope, here and there, through the state, to divide the republicans in a sufficient number of districts, to get a majority on joint ballot. Every vote for a democratic assemblyman and senator is a *direct vote for a democratic United States senator*, and no republican who wants a republican U. S. senator can consistently cast his ballot for a democratic assemblyman or senator in the legislature. The excuse which the democrats make that it will make no difference, because the republicans will have the legislature, is a delusion. Vote the straight ticket; in *that* there is safety, and in no other way.

WHAT IS HIS BUSINESS?

Since the Democrat thinks it proper to speak of the private business of our candidate for assembly so often, it is not unfair to ask, what is Mr. Richardson's business here?—Can anybody tell what he has been doing with his immense, *untaxed* wealth, since he came back from California? Has he engaged in any legitimate business, which promotes the interests and welfare of the city? Not at all; he has notoriously been SHAVING COUNTY and CITY ORDERS; putting his money at interest at the highest rate possible; and thus living upon the labor of others, without doing anything himself. He works with his Capital. Now, when he gets to the legislature, if he ever does, his interest there, and we doubt not his VOTE, also, will be against labor and in favor of Capital. It is the policy of the people of this State to gradually reduce the rate of interest and thus emancipate the working men from the control of Capital. The rate of interest has been reduced to ten per cent. which is all that it is worth now, and more than any legitimate business can afford to pay. The Capitalists of this State will ask the legislature to REPEAL THE INTEREST LAW. Now, how will Hamilton Richardson naturally vote on this question? He is a *Capitalist*—a money lender—and his sympathies, and we doubt not his vote, will be with his class. Can the business men, the laboring men of Janesville afford to be thrown into the hands of money Shavers? Let them answer at the ballot box.

THE TRUTH is, Mr. Graham has so far overcome his repugnance to these "institutions," [saloons] as to go inside of them, on more occasions than one, with his friends—*to invite them to drink, and pay for what they drank, after they had done so.*—*Daily Democrat.*

This charge is a fair illustration of the whole series against Mr. Graham, and a circumstance which occurred at the Hyatt House last evening is a sample of the lowness and meanness to which the enemies of Mr. Graham have descended in their opposition to him. Mr. Graham had occasion to call there to see a friend. When he entered, he found a conclave of democrats engaged in exercises not strictly of a religious character. He boisterously invited to drink, but declined to do so, telling his *disinterested* FRIENDS (!) that he had not drank a glass of liquor in Janesville, and did not propose to begin then. While there, two young men, one of them a son of a friend of Mr. Graham's family, so urgently pressed an invitation that he consented to take a glass of lemonade with him.

This morning the street has been ringing with the charge that Mr. Graham paid for liquor at the Hyatt House Sabbath evening, and got two young men drunk. And men have been engaged in repeating the story, who would be consideren insulted if their claims to the character of *gentlemen* were in the least questioned.

Look out for stories of the same character in to-morrow morning's Democrat.—The fountain of detraction has been opened, and will flow like a torrent.

We say again, we do not care a straw whether Mr. Richardson is a rich man or not.—*Democrat.*

That is all pretence. You nominated Mr. Richardson because he was rich and able to be bled for electioneering purposes. You defeated Mr. Stoddard because he was not supposed to be able to stand the expenses of this election. That is the way the thing looks to an outsider. Mechanics and working-men stand no chance in the democratic party for nominations, because the leaders always clamor for money to be used in the election.

☞ Pioneers! Old Abe is the man who understands the wants of the west.—Vote for him.

STAY AT THE POLLS.

Much good is always effected by a strong representation at the polls. Besides being on the ground as a committee of vigilance, it gives encouragement and faith to all concerned. It also ensures a better knowledge of those who have not yet come and must be sent for. Keep, therefore, a good force about the ballot box, MORNING, NOON and until the POLLS CLOSE.

VOTE EARLY.

An early vote is an essential aid. It not only shows willingness and heartiness in the cause, *but it gives a good start to a good day's work.* And, moreover, those who vote early have time and opportunity to think of others who have not voted. Go early, then, and stay late. You can well afford *one day* for your country.

Expel the school teacher from your midst and set fire to your magnificent High School building at once. They are all utterly useless, aye, worse than useless to yourselves or your children—for, according to the Gazette, *none but the rich* are fit to go to the legislature—none but the heavy taxpayer should make your laws for you.—*Democrat.*

We invite all men to look into the columns of the Gazette, and if they can find any doctrine like the above, we will never publish another number. If what the Democrat says is true, we should hold ourselves altogether unfit to publish a newspaper in an *enlightened community.* It is such miserable falsehoods as these which that sheet has daily spread before the people since the publication of its first number. It is not surprising that it is altogether without character for truth or decency.

The question as to the wealth of the two candidates was not initiated by us. The Democrat first boasted of the superior "interests" of Mr. Richardson, and we compared the "interests" of the two candidates, as tested by the tax roll, not altogether to the satisfaction of the Democrat.—Hence the fluttering—hence the absolute baseless charge.

The Skies are Bright!

The prospect of electing Lincoln could not be better. New York will roll up a grand majority—so will Pennsylvania, Illinois, Indiana and Ohio. It looks now as if EVERY free state would vote for LINCOLN and HAMLIN. Even California and Oregon may be expected to join in electing Honest Old Abe. Our latest intelligence leads us to look for such a result.—We even have hopes of Delaware. Work friends that we may not be ashamed of our Wisconsin majority, as there will be some tall figures in many of the states, as the result of Tuesday's work.

☞ One voter in South Carolina has as much power in choosing a president as seven voters in Wisconsin. This advantage is gained by the slave system. Do we wish to make another South Carolina in a new territory? If not, vote for LINCOLN, HAMLIN and HANCHETT, who are pledged to restrain slavery from going into the territories.

LOCAL DEPARTMENT.

Be Prompt at the Polls.

The polls open at 9 o'clock A. M. We trust, challengers and vigilance committees will be promptly on the grounds, and firmly maintain their position. Let all republican voters be on hand early. A large republican vote in the forenoon sets the tide for the afternoon. Turn out and vote early and then look after those who have not voted.

ATTENTION Wide Awakes!

Wide Awakes will you turn out to-night? If so, appear at the court room at 7 o'clock, with uniform and torch. A good time generally, is anticipated.

A. B. McLEAN, Captain.

DON'T SWAP VOTES.

The democracy are a commercial people. They will propose to trade off any candidates on their ticket to-morrow for a vote for assemblyman. Desperation has siezed upon them, and they have given up all hopes of electing any man upon their ticket, except Hamilton Richardson—hence all their forces and all their efforts are thrown for his benefit. One of their games is to trade votes. Says the democrat to the republican: "If you will vote for Hamilton Richardson, I will vote for Lincoln." Don't you do it. He may not vote for Lincoln, and will cheat you there if he can; but if he does vote for Lincoln it will not help him, because, Lincoln is sure of Wisconsin, at any rate. If republicans make this trade, they lose their vote by it.

The Great Issue.

The free labor question is the great issue at this presidential election. Let every workingman rally against the slave extensionists who would fill our new territories with slaves, every one of whom keeps out ten white men.

Let the People Elect.

Those who vote the Douglas ticket vote for sending the election of president to the house, where bribery and treason will do their work. If you want peace in the country, vote for LINCOLN who alone can be elected by the people.

THE WHOLE TICKET.—Our candidates were all fairly nominated. They are all good and true republicans, there can, therefore, be no excuse for any party man who refuses to vote for the whole ticket. In times like these, when the very existence of free institutions is at stake, there can be no justification for those who call themselves republicans, in voting for democrats.

A Streak of Saloon Piety.

The saloon men of the Democrat—the hounds who prowl about the doggeries of this city and drink bad whiskey and write editorials for the democratic paper—are out with a specimen of "saloon piety" this morning—charging Mr. Graham with treating his friends with liquor. If that statement is true, why have they withheld it to this late hour? If that is Mr. Graham's habit, as it notoriously is not, an early charge of it upon him might have met with counter proof; but now, at this late hour, they bring it forward, giving a general charge, when it is too late to hunt up the testimony. Republicans! do not put any credit in any assertion they make on the eve of election.—Desperate men use desperate means. They will RAIN LIES upon Mr. Graham until the polls are closed. Turn a deaf ear to all of them. Especially is it untrue that Mr. Graham has bought liquor at a saloon and treated any one. It IS FALSE.

MEETING AT EDGERTON.—On Saturday evening Messrs. H. A. Patterson and H. N. Comstock addressed a republican meeting at Edgerton, in Swift's block. The room was full of attentive listeners, some of whom were democrats, who have began to think that the slaveholding democracy are a little *shakey*. The speakers were very much alive to the great interests at stake. Fulton, the last strong hold of Democracy in Rock county, is about to shake off the dirty rags of squatter sovereignty and array herself on the side of freedom.

☞ To-morrow evening being election night, and as everybody will be anxious to hear the telegraph's news incident to the day, the monthly meeting of the military will be postponed until such a time as it shall be called by the president, when we hope all the members will be present, and assist in procuring accessions to the ranks. A good company can be built up if our young men will but take hold and aid it by joining those who are already members, and who are endeavoring to add the ornament of a military organization to the already fair name of our city. *

Vote the Whole Ticket.

Let us forget differences and preferences, at this election, and vote the WHOLE TICKET without scratching a single name.—With the glow of the great national victory already appearing in the political horizon, all republicans should catch the spirit of the hour, and sacrifice every feeling but union and conciliation, and be prepared to celebrate the glorious triumph which awaits us, without one discordant emotion in our bosoms.

Let there be union and harmony among republicans for the sake of the good cause, and for the sake of our gallant standard bearer **ABRAHAM LINCOLN.**

THE WORLD MOVES.—It is but a few years since there were but a dozen republican senators. It was then that Douglas said to them—"we will subdue you." After the fourth of March the Constitution, the president's organ, estimates that there will be 34 democrats and conservatives, 33 republicans *and* Douglas. Who is subdued?

FATAL CASE OF POISONING.—On Friday night last, Jesse, aged about seven years, son of Whitely Woodruff, of Marion, Mich., died of drinking corrosive sublimate, which he was induced to drink by another lad.

GRAND RALLY OF THE REPUBLICANS

NIGHT BEFORE ELECTION!

THERE WILL BE A

MASS MEETING!

of the Republicans of this city on

Monday Evening, Nov. 5th,

at the

Court Room.

The Speakers will be

W. B. HAWES, H. A. PATTERSON,
C. R. GIBBS, J. B. CASSODAY,
I. C. SLOAN, JOHN NICHOLS,
J. A. SLEEPER, J. M. BURGESS,
JAS. H. KNOWLTON.

The Wide Awakes

and the Wide Awake Glee Club will be out.

LET EVERYBODY COME!

Saturday Evening, November 3d,

S. D. HASTINGS & C. G. WILLIAMS.

The Hand-Organ

Will be in full blast to-morrow morning. The *whole crew* who have been turning it will be put at work. It will make no difference if their separate articles conflict, if they only contain the necessary amount of malignity and falsehood, each will have a chance at the crank. The mass of stuff in this morning's issue is only a sample as to quality and quantity to-morrow. It will be a safe rule to discredit everything said, and especially if any NEW CHARGE is made. The "hounds" then can talk with impunity, as we shall have no opportunity of replying to them. They have *never* been scrupulous as to what they have said; but when all restraint is removed look out for a BATCH OF LIES that would shame the devil, but which they will utter without compunction or regard to future consequences.

The Assemblyman.

MESSRS. EDITORS:—I have looked on quietly during the canvass in this city watching the progress of events as they have developed themselves from day to day, in reference to the candidates for member of the assembly. The course of the Gazette has been manly, avoiding all personalities, and treating Mr. Richardson fairly, while the Democrat has abounded in falsehood and scurrility. The bitterness of the Democrat, however, may be accounted for upon strictly philosophical principles, as from a corrupt fountain always issue impurities.—Its articles are just such as may be expected from such a source, when we remember who influence and control that paper.

I do not propose to follow the course of the Democrat, but simply ask a few questions suggested by your last Friday's article.

There has been a great deal said about Mr. Richardson's *interests* in this city, and and we have been treated to a rehash of these statements almost evrey day, but no specifications or data have been furnished. This, I presume, induced the Gazette to examine the records, and since the Democrat has made the issue, it ought not to attempt to screen its candidate from the consequences. You very correctly say "the assessment roll is the true indicator" of the relative interests of Mr. Graham and Mr. Richardson in the city.

Now what are the facts? Mr. Graham appears both upon the *personal* and real estate roll, and is taxed about fifty dollars for city expenses. Mr. Richardson is simply upon the real estate roll for a tax of $10.88. Mr. Richardson is reputed to be, and undoubtedly is, one of the wealthiest of our citizens, with money always to invest whenever the *necessities* of others will enable him to make a *certain* per cent on his capital. I presume he is able to purchase notes, mortgages, city orders, city bonds and stocks, and yet he gives in not a dollar's worth of personal property for taxation, and this, too, when the law requires every tax-payer to "list all he has under an oath." Either Mr. R. has less *interest in this city* than his friends claim for him, or he has failed to report it to the assessors.

Again, Mr. G. "is an inveterate office seeker." Now we know that during this canvass he has been quietly attending to his own affairs, while Mr. R. has been exhibiling his "*social*" qualities, going round like a census taker, asking almost every man in the city to vote for him. Of course *he* don't want office!

In conclusion, allow me to inquire whether the idea ever suggested itself to Mr. R., that he has asked many a man to vote for him that never *spoke* to before in his life. Really, Mr. R. has become of late wonderfully "*social*," and the fact that "his *heart* is in this city," may be of great importa nce to the tax-payers of Janesville.

Phœnix Insurance Co. of Hartford.

We take pleasure in directing the attention of property-holders to the statement of the Phœnix Insurance Company, published in another column. This we consider one of the most reliable Insurance Companies in the country; and we think no one need have the least hesitancy in effecting an insurance in it. Their exhibit shows conclusive of its reliability. No one owning property should go without an insurance, and to such we recommend them to call on the agent and at once effect an insurance.—*Home Journal, Ind.*

Continental Insurance Company.

This prosperous corporation, in order to meet its present and growing wants, has just completed the purchase of the desirable property known as No. 102 Broadway and No. 1 Pine street. Possession will be given on or before the 1st of May next, when we learn a new and beautiful structure will at once be erected, suited to the requirements of the Company. No institution of a similar character in the nation, all things considered, can boast of such an unparallelled prosperity as can this. Commencing with a cash capital of half a million of dollars, it has steadily and rapidly grown, until its available assests now amount to about one million. The officers and directors are known all over the country as among the leading influential business men and capitalists of this city. No better, safer, or stronger Insurance Company exists than the Continental. May it live and grow a thousand years, and—continue to pay fat dividends.—*New York Independent.*

To the Public.

"Now is the accepted time"—to-morrow may be too late—delays are dangerous.—Have you got a store of goods? Have you a dwelling house? Have you any insurable property? Go at once to Dimock's Agency and have it insured. Do not let the melancholy words "he had no insurance" prove applicable to your case in event of a sweeping fire.

NOTHING LIKE IT TO RESTORE A DOUBTFUL CREDIT.

It is greatly to the credit of any owner or occupant of a building to have placed conspicuously over his door, any of the following leading companies' house plates. The Home of New York. The Phœnix of Hartford. The Continental of New York. The Security of New York. The Merchants of Hartford, or the Northern of London, England. Is your credit at the Banks getting below par, up with one of these plates and you are all right at the Rock County, the Central or at Hoyt's.—Every passer-by will say "there is a sound business man." Tell your New York creditors that you insure your lake freights in the reliable Old Home, and your goods after their arrival in any of these incomparable companies and your orders will at all times be filled, and at the lowest figures. A few more of these ornamental plates left at Dimock's Agency.

I desire to call the attention of the citizens of Janesville and Rock county, more in detail to these well known, reliable and prompt paying

"Sold His Interest."

The Democrat, after harping upon the idea, put forth by itself, that Mr. Graham's interests were all in Minnesota, now ridicules the statement that he has sold his property there. Like the wolf in the fable, the Democrat cannot be suited. It still insists that Mr. G. causes the mud to rile the stream, whether he is above or below the wolf—whether his interests are in Minnesota or not.

Who started this cry about the 'interests' of the candidates in this city? THE DEMOCRAT ITSELF. Now, when we show that Mr. Graham's interests are greater than Mr. Richardson's, and appeal to the tax roll for proof, it raises the hue and cry that we are sending *rich men* to the legislature in preference to *poor men*. It suddenly finds that its candidate does not appear to be as rich as common rumor at first declared. Then it sings the song about the poor man, and undertakes to raise a sympathy for its candidate, and a prejudice against ours, on that account.

But in the same paper, in another column, it answers the question, "must he be rich?" when it boasts of the wealth of Hamilton Richardson—tells us how much he has paid in taxes into the city and county treasury.

The statement there made must be utterly false. We do not believe Mr. Richardson pays $93,27 city taxes this year, for himself. The record does not show it. If, as agent for others, he pays this amount it ought not to be credited to himself. If he pays other men's taxes, his brother's, his father's, or his cousin's, let them have the benefit of it, and not Hamilton Richardson, the candidate. The record shows that his taxes this year amount to **$10,83,** and no more. We invite the tax-payers of this city to look at the RECORD, and not to to the columns of the Democrat for proof.

If Hamilton Richardson is a "well to do" citizen, he shirks the responsibilities of such a citizen, by not paying his taxes. If he has personal property HE DOES NOT LIST IT—if he has real estate, it is nearly all of it in some other person's name.—Is such a man, supposing the statement of the Democrat to be true, fit to represent this city in the legislature?

Watch the Illegal Voters.

If any one is suspected on good grounds of illegal voting we trust they will be promptly arrested. Let us make our election laws respected. The man who would put a fraudulent vote into the ballot box, would steal one out if he had an opportunity.

LOOK TO LEGISLATRE.—Let us have a united republican delegation in the legislature, in this county, and to secure it let every republican vote for Alexander Graham.

☞ Our opponents give it up that the republicans are to have a majority in the next legislature. If this is so, will out city interests be promoted by sending a democrat to the legislature to work with the minority?

When you are offered a great bargain, the value of which you know nothing about, but which you are to get at half price, "being you," don't you take it.

Do the Republicans Nominate Mechanics.

The Democrat blows a remarkable strain on the organ this morning; it is doleful in the extreme, and false as usual. It charges the Gazette and the republican party with being inimical to the interests of the mechanic, and laborer. We pronounce the whole of this article, both as to its charges and insinuations false and malicious, and appeal to the nominees for offices in this county as proof of what we say. The head of our county ticket is a poor man and a mechanic, a blacksmith. The next is a farmer, and so is the next. Our candidate for clerk of the court is a printer. Our clerk of the board of supervisors is a wagonmaker. Our coroner a farmer and our county surveyor is a hard working industrous engineer. Every nominee on our county ticket is a mechanic or farmer except that of district attorney; and of the five republican candidates for assembly, three are farmers, one a physician and the other is Mr. Graham, who has been a farmer and always a laboring man.

Our candidate for the state senate is a farmer and so was his predecessor, and yet in the face of these facts the Democrat has the hardihood to charge us with caring nothing for the laboring man but only for the nigger; and stultifies itself and insults the intelligence of our mechanics by making such a charge and appeal.

We assert unequivocally, and our mechanics and laborers know it, that the principles and policy of the republican party are not only more just toward the black man but are infinitely better for the white man, than those of the sham democracy. Ours is the party of freedom and free labor; theirs is the party of slavery and slave labor. How is it with Mr. Richardson? Is he a mechanic? Is he a laboring man? Did he ever with his own hands produce a single dollar's worth of wealth? We pause for a reply.

A FALSE PRETENCE.

The Democrat, for very obvious reasons disparages the chances of a democratic majority in the legislature. It asserts that republicans in this city "can vote for Mr. Richardson, *without in the least periling the election* of a republican to the senate." We assert that there is danger of the democrats obtaining the control of the next legislature, and they *will certainly do so,* if republicans in districts like the city of Janesville desert their own candidates to vote for democrats. In the changeable character of local politics, the legislature is always an uncertain body, and notwithstanding all denials, the hope of securing the legislature to be now chosen, is what is inciting the desperate efforts to defeat Mr. Graham. There is a concerted effort throughout the state, by the democrats, of the same nature as that going on here, and to-morrow any candidate on the democratic ticket, commencing with the presidential electors and ending with coroner, will be offered in trade for a vote for an assemblyman. This will not be done here from any love or respect to Mr. Richardson, but solely to carry out the scheme for a *democratic* majority in the legislature. Last year five republicans were elected to the assembly by an aggregate majority of seventy-three—D. C. Jenne by *one* majority in Outgamie county; L. S. Baldwin by *nineteen* in Racine county; J. C. Lewis by *twenty-three* in Fond du Lac county; G. B. Goodwin by *seven* in Winnebago county; and Albert Wood by *twenty-three* in Adams and Juneau county. A change of thirty-seven votes at the election would have made a change of ten votes in the legislature.

Aside from them *and other close districts,* which are as likely to go for the democrats now as for the republicans, under the influence of the farm mortgage question or other distracting issues, we now recal to mind *two* independent republican candidates in Walworth county, *one* in Grant county, *one* in Jackson, Trempeleau and Buffalo counties, *one* in Waushara county, and *two* in Columbia. Here are SEVEN independent republican candidates in republican districts, and there is danger that in consequence of the division among republicans in those districts, a *democrat* may be elected in each. This would make a change of FOURTEEN in the legislature, and if those five close districts of last year should be carried by our opponents, there would be a total change of TWENTY-FOUR in the legislature—*enough to change it from a republican to a democratic body.*

We tell our friends candidly and earnestly that they cannot afford to lose the member in this city, and all the assertions to the contrary are intended to deceive republicans and aid in the execution of the scheme that is working throughout the state to secure the legislature, and elect a democrat to the United States Senate, and district the state against the republicans. The Madison Argus did not, speak without calculation or hope when it published the following article, which we copied ten days ago:

THE LEGISLATURE.—We advise the republican rivals for the United States senatorship to not count with any very great certainty on the prospect that anybody of that stripe will be the lucky man. "The best laid schemes," we are told with almost the unction of prophecy, "gang aft agley." There is no sure thing that the republicans will have the legislature, at all. They may have the senate, but the few changes likely to take place, of which we are already advised, are enough to make the assembly close, if not to entirely change its complexion. We trust these gentlemen will not become so excited on the subject before the election as to be severely and deeply disappointed if all their chances are destroyed by the result.—*Madison Argus.*

The duty of the republicans of this city is plain. *It is to vote for Mr. Graham,* and resist with all their power the attempt to defeat him. HIS VOTE IN THE LEGISLATURE MAY ELECT A U. S. SENATOR, and give the republicans the power to control its legislation.

☞ We repeat the statement that HAMILTON RICHARDSON *is not on the tax roll for a cent of personal tax.* If he is a "well to do" citizen, has he no carriage, horse and buggy, gold watch? Has he nothing to be taxed? No money at interest or in county and city orders, or city tax certificates? He is reputed to be dealing in this kind of paper.

If he is a wealthy citizen he ought to have some personal tax. Almost every one in the city pays something.

The Good Time By-and-By.

When shall those who now in bondage mourn,
And its cruel yoke who long have borne,
Hail the glorious time we long to see,
When the oppressed shall all be free!

CHORUS.

Hope on, hope ever, trustful we'll sing,
Who knows what wondrous changes time may bring.
Onward every one, with firm, unwavering heart,
In the cause of Right still bear our part—
And O, the glorious time for which we ever sigh,
It is coming by-and-by.

II.

When shall those who fill our native land,
In the cause of *freedom* boldly stand?
When shall union dwell in every breast,
Making all supremely blest?
Hope on, &c.

III.

When shall hostile factions war no more,
When their bitter thoughts of strife be o'er?
When shall every note discordant cease,
In the quiet song of peace?
Hope on, &c.

IV.

When shall love to all so pure and free,
Teach us how to treat the wrongs we see,
Joining heart and hand the true and brave,
Every sorrowing one to save?
Hope on, &c.

Election, November 6th.

Polls to be Opened at 9 o'clock A. M., and Kept open till Sundown.

The election of Electors who will vote for President and Vice President of the United States, of a Member of Congress in each Congressional district of the state, of County Officers and Members of the Legislature, will be held on Tuesday next, the 6th of November. The polls are to be opened at 9 o'clock A. M., by law, and must be kept open till sundown, except that the board of inspectors may adjourn at 12 M., for one hour.

QUALIFICATIONS FOR VOTING.

The Revised statutes provide as follows—see chapter 7:

1. White citizens of the United States.

2. White persons of foreign birth, who shall have declared their intention to become citizens, conformably to the laws of the United States on the subject of naturalization.

3. Persons of Indian blood, who have once been declared by law of congress to be citizens of the United States, any subsequent law of congress to the contrary notwithstanding.

SECTION 2. No person under guardianship, *non compos mentis,* or insane, shall be qualified to vote at any election; nor shall any person convicted of treason, felony, or bribery, unless restored to civil rights; nor shall any person, who, being an inhabitant of this state, may hereafter be engaged, directly or indirectly, in a duel, either as principal or accessory, be permitted to vote at any election; nor shall any person who shall have made or become directly or indirectly interested in any bet or wager depending upon the result of any election at which he shall offer to vote, be permitted to vote at such election.

PENALTIES FOR ILLEGAL VOTING.

For going into any county, town or ward, and voting, not being a resident thereof—*imprisonment in the state prison, at hard labor, for not more than two nor less than one year.*

For non-residents of the state, voting—*imprisonment in the state prison for not more than three nor less than one year.*

For aiding, assisting or advising another to go into any town or ward, knowing such person is not entitled to vote there—*imprisonment in the state prison, at hard labor, not more than three nor less than one year.*

For bribing any voter to influence his vote, or threatening such voter for that purpose—*a fine of not less than* $500 *nor more than* $1,000, *and imprisonment in the county jail for not more than twelve nor less than three months.*

For giving a voter who cannot read, a ticket and representing that it contains names different from those printed thereon, in order to induce him to vote contrary to his inclination—*imprisonment in the state prison, at hard labor, not more than two nor less than one year.*

EXAMINE YOUR TICKETS.

To prevent any mistakes in your ballot, compare it with the names in our paper.—Bogus tickets may be afloat, and a fraud may be attempted particularly in the presidential electors. The REPUBLICAN ELECTORS are

Walter D. McIndoe,
Bradford Rixford,
Wm. W. Vaughn,
J. Allen Barber,
Herman Lindeman.

And while you are careful about the electors, don't neglect the congressional, senatorial, assembly and county ticket. The names are all at the commencement of the page of this week's paper.

A CLEAN BALLOT.

Don't deface your ballot by scratching it. A clean ballot looks handsome and shows the true colors. A scratched ballot has a bad look. Don't try to ornament your ticket by a display of good penmanship, or mar it by poor writing.

CAUTION.—Our republican friends are cautioned to look well to their tickets. The names of candidates should all be examined before voting, to see that they are right. There may be split tickets in circulation.

A LAST WORD.

While the interest of the election seems to be absorbed in the contest for assemblymen in this city, we trust there are men who will, at the polls, look after the WHOLE TICKET, especially the candidates for president and congressman.

The national question is the greatest ever submitted to a people. It is whether FREE LABOR shall rule this republic, or whether SLAVERY shall spread all over it.

Now friends, workers at the polls, we entreat of you, by all fair and honorable means, to swell the vote for LINCOLN and HANCHETT. The one is to execute the laws of the nation, and the other, who is to assist in making them. Strike for an OVERWHELMING MAJORITY, so that ABRAHAM LINCOLN will go into the presidential chair well blacked up by a TOWERING POPULAR VOTE.

Republicans! EVERY MAN is expected to do his duty to-morrow. Give one day wholly and entirely to your country; work with a firm and unconquerable will, and VICTORY will crown our standard.

The angel of God's blessing
Encamps with Freedom on the field of fight;
Still to her banner, day by day, are pressing,
Unlooked for allies, striking for the right:
Courage then, Northern hearts! Be firm, be true!
What other brave men have done, can ye not also do?

The State Senator.

The Democrat of this morning has not a word about Mr. Foot and the railroad west of us. That is reserved for one of the "last cards" of to-morrow. The cry will be raised by the same set of politicians who sold out the business interests of Janesville, and would do it again, that Mr. Foot is interested in the Madison and Beloit railroad, and therefore will be against us.

The truth is that Mr. Foot has no interest in completing that road—it is already finished beyond the village where he lives, and thanks to leading democratic politicians of Janesville, it has a charter to Madison.

Republicans of this city! vote for Mr. Foote. He has no interest in opposition to yours, but much in common. He is a true man, a good republican and honestly and fairly nominated. Vote for him.

Give Them the Figures.

When any republican is asked to vote for Mr. Richardson because one vote in the legislature is of no consequence, refer the democrat who makes that appeal to the five districts in which republicans were elected by an aggregate vote of *seventy-three,* and the *seven* districts where independent republicans are running, in which democrats, thro' the folly of our friends, are likely to elect the democratic candidates. Here are TWELVE districts we ought to have, but may lose them all, and if we lose them there is a change of TWENTY-FOUR against us.

In this connection, remember that the republican majority on joint ballot in the last legislature, was only *twenty-one*—four in the senate, and 17 in the assembly. The republicans were stronger in that legislature than in any other since the organization of their party. The loss of these districts where independent candidates are running and *four* of the close districts, would give the democrats a majority in the legislature, if all the other districts go as they did last year.

Is it not an insult to a republican of the city of Janesville to ask him to aid in the scheme of stealing the legislature from the republicans, in order that the democrats may have all the vast benefits accuring from a majority there?

The loss of a United States Senator from Wisconsin may defer for years the political redemption of the stronghold of slavery in the federal government. Its construction is such, in the division of parties, that *one vote* in it may make it the ally of FREEDOM or SLAVERY.

What republican is willing to assume the responsibility of even endangering the return of a republican member from the free state of Wisconsin?

TURN OUT!

Let Republicans turn out to the meeting to night, at the court room. There will be numerous short speeches, and good ones.—Let us prepare for the work to-morrow. There will be several spirited and patriotic songs sung by the Wide Awake Glee club, assisted by Mr. D. D. Wilson, and other gentlemen.

Who is "Mr. Richardson?"

It will be noticed that the Democrat does not talk about Hamilton Richardson in its article claiming the large amount of taxes paid, but it is *Mr. Richardson.* Is this a convenient DODGE? Does "Mr. Richardson" represent Hamilton Richardson, or is it the whole family? How is this?

Look out for them.

There are a good many strangers in town, who do not look like travelers. Such men may visit the polls—Challenge every man whom you do not know to be a voter.

☞ The Democrat speaks derisively of Mr. Graham's eloquence. Who ever heard Ham. Richardson make a speech? Why, he has not usually eloquence enough to say "good morning" to a poor man on the street.

Smell His Breath.

When the democrats who are "blowing" about Mr. Graham and saloons, commences talking, just smell of his breath, and ask him *if liquor* is the price of a voter, how it happens that Mr. Graham has not bought *him.*

BULLYING.—The South, with the aid of the administration has been engaged in bullying the north against voting for LINCOLN, by threatening a dissolution of the Union. What answer would we make if a foreign nation should undertake to excite our fears by threats? Let us make them understand that we are not cowards to be frightened at their threats.

The ninth volume of Bancroft's History of the United States is nearly ready for the press.

A Villainous Scheme!

Look Out For It!

We have information that the democrats intend to print and put in circulation to-morrow counterfeit republican tickets with the name of WM. J. GRAHAM, (the democratic candidate for county treasurer,) for assemblyman in this city, in place of ALEXANDER GRAHAM, the republican candidate for that office.

Let every republican EXAMINE HIS TICKET CLOSELY before voting. No fraud will be too great for the democrats, who are aiming at the legislature, to attempt.

Watch Your Tickets!

Every man who gives out or votes a republican ticket to-morrow should *know to a certainty* that it is all right. Frauds on the ballots will be attempted by the democracy. No device can be too rascally in its character to be discarded.

WATCH CLOSELY, AND BE SURE YOUR TICKET IS RIGHT.

A Dangerous Experiment.

The charge of the Democrat that the "Saloon" influence of the city is in favor of Mr. Graham is a dangerous one for the democracy. It is a charge that the saloon men *can be and have been purchased.* How will they relish this estimate of their character and political integrity?

United States Senator.

Remember that a United States senator is to be elected this winter in this state, and that is the only reason why the democrats of this city have dropped every thing else and pitched in to elect their candidate for assembly. They hope, here and there, through the state, to divide the republicans in a sufficient number of districts, to get a majority on joint ballot. Every vote for a democratic assemblyman and senator is a *direct vote for a democratic United States senator,* and no republican who wants a republican U. S. senator can consistently cast his ballot for a democratic assemblyman or senator in the legislature. The excuse which the democrats make that it will make no difference, because the republicans will have the legislature, is a delusion. Vote the straight ticket; in *that* there is safety, and in no other way.

WHAT IS HIS BUSINESS?

Since the Democrat thinks it proper to speak of the private business of our candidate for assembly so often, it is not unfair to ask, what is Mr. Richardson's business here?—Can anybody tell what he has been doing with his immense, *untaxed* wealth, since he came back from California? Has he engaged in any legitimate business, which promotes the interests and welfare of the city? Not at all; he has notoriously been SHAVING COUNTY and CITY ORDERS; putting his money at interest at the highest rate possible; and thus living upon the labor of others, without doing anything himself. He works with his Capital. Now, when he gets to the legislature, if he ever does, his interest there, and we doubt not his VOTE, also, will be against labor and in favor of Capital. It is the policy of the people of this State to gradually reduce the rate of interest and thus emancipate the working men from the control of Capital. The rate of interest has been reduced to ten per cent. which is all that it is worth now, and more than any legitimate business can afford to pay. The Capitalists of this State will ask the legislature to REPEAL THE INTEREST LAW. Now, how will Hamilton Richardson naturally vote on this question? He is a Capitalist—a money lender—and his sympathies, and we doubt not his vote, will be with his class. Can the business men, the laboring men of Janesville afford to be thrown into the hands of money Shavers? Let them answer at the ballot box.

THE TRUTH is, Mr. Graham has so far overcome his repugnance to these "institutions," [saloons] as to go inside of them, on more occasions than one, with his friends—*to invite them to drink, and pay for what they drank, after they had done so.*—*Daily Democrat.*

This charge is a fair illustration of the whole series against Mr. Graham, and a circumstance which occurred at the Hyatt House last evening is a sample of the lowness and meanness to which the enemies of Mr. Graham have descended in their opposition to him. Mr. Graham had occasion to call there to see a friend. When he entered, he found a conclave of democrats engaged in exercises not strictly of a religious character. He boisteronsly invited to drink, but declined to do so, telling his *disinterested* FRIENDS (!) that he had not drank a glass of liquor in Janesville, and did not propose to begin then. While there, two young men, one of them a son of a friend of Mr. Graham's family, so urgently pressed an invitation that he consented to take a glass of lemonade with him.

This morning the street has been ringing with the charge that Mr. Graham paid for liquor at the Hyatt House Sabbath evening, and got two young men drunk. And men have been engaged in repeating the story, who would be consideren insulted if their claims to the character of *gentlemen* were in the least questioned.

Look out for stories of the same character in to-morrow morning's Democrat.—The fountain of detraction has been opened, and will flow like a torrent.

We say again, we do not care a straw whether Mr. Richardson is a rich man or not.—*Democrat.*

That is all pretence. You nominated Mr. Richardson because he was rich and able to be bled for electioneering purposes. You defeated Mr. Stoddard because he was not supposed to be able to stand the expenses of this election. That is the way the thing looks to an outsider. Mechanics and working-men stand no chance in the democratic party for nominations, because the leaders always clamor for money to be used in the election.

☞ Pioneers! Old Abe is the man who understands the wants of the west.—Vote for him.

STAY AT THE POLLS.

Much good is always effected by a strong representation at the polls. Besides being on the ground as a committee of vigilance, it gives encouragement and faith to all concerned. It also ensures a better knowledge of those who have not yet come and must be sent for. Keep, therefore, a good force about the ballot box, MORNING, NOON and until the POLLS CLOSE.

VOTE EARLY.

An early vote is an essential aid. It not only shows willingness and heartiness in the cause, *but it gives a good start to a good day's work.* And, moreover, those who vote early have time and opportunity to think of others who have not voted. Go early, then, and stay late. You can well afford *one day* for your country.

Expel the school teacher from your midst and set fire to your magnificent High School building at once. They are all utterly useless, aye, worse than useless to yourselves or your children—for, according to the Gazette, *none but the rich* are fit to go to the legislature—none but the heavy taxpayer should make your laws for you.—*Democrat.*

We invite all men to look into the columns of the Gazette, and if they can find any doctrine like the above, we will never publish another number. If what the Democrat says is true, we should hold ourselves altogether unfit to publish a newspaper in an enlightened community. It is such miserable falsehoods as these which that sheet has daily spread before the people since the publication of its first number. It is not surprising that it is altogether without character for truth or decency.

The question as to the wealth of the two candidates was not initiated by us. The Democrat first boasted of the superior "interests" of Mr. Richardson, and we compared the "interests" of the two candidates, as tested by the tax roll, not altogether to the satisfaction of the Democrat.—Hence the fluttering—hence the above baseless charge.

The Skies are Bright!

The prospect of electing Lincoln could not be better. New York will roll up a grand majority—so will Pennsylvania, Illinois, Indiana and Ohio. It looks now as if EVERY free state would vote for LINCOLN and HAMLIN. Even California and Oregon may be expected to join in electing Honest Old Abe. Our latest intelligence leads us to look for such a result.—We even have hopes of Delaware. Work friends that we may not be ashamed of our Wisconsin majority, as there will be some tall figures in many of the states, as the result of Tuesday's work.

☞ One voter in South Carolina has as much power in choosing a president as seven voters in Wisconsin. This advantage is gained by the slave system. Do we wish to make another South Carolina in a new territory? If not, vote for LINCOLN, HAMLIN and HANCHETT, who are pledged to restrain slavery from going into the territories.

LOCAL DEPARTMENT.

Be Prompt at the Polls.

The polls open at 9 o'clock A. M. We trust, challengers and vigilance committees will be promptly on the grounds, and firmly maintain their position. Let all republican voters be on hand early. A large republican vote in the forenoon sets the tide for the afternoon. Turn out and vote early and then look after those who have not voted.

ATTENTION

Wide Awakes!

Wide Awakes will you turn out to-night? If so, appear at the court room at 7 o'clock, with uniform and torch. A good time generally, is anticipated.

A. B. McLEAN, Captain.

DON'T SWAP VOTES.

The democracy are a commercial people. They will propose to trade off any candidates on their ticket to-morrow for a vote for assemblyman. Desperation has siezed upon them, and they have given up all hopes of electing any man upon their ticket, except Hamilton Richardson—hence all their forces and all their efforts are thrown for his benefit. One of their games is to trade votes. Says the democrat to the republican: "If you will vote for Hamilton Richardson, I will vote for Lincoln." Don't you do it. He may not vote for Lincoln, and will cheat you there if he can; but if he does vote for Lincoln it will not help him, because, Lincoln is sure of Wisconsin, at any rate. If republicans make this trade, they lose their vote by it.

The Great Issue.

The free labor question is the great issue at this presidential election. Let every workingman rally against the slave extensionists who would fill our new territories with slaves, every one of whom keeps out ten white men.

Let the People Elect.

Those who vote the Douglas ticket vote for sending the election of president to the house, where bribery and treason will do their work. If you want peace in the country, vote for LINCOLN who alone can be elected by the people.

THE WHOLE TICKET.—Our candidates were all fairly nominated. They are all good and true republicans, there can, therefore, be no excuse for any party man who refuses to vote for the whole ticket. In times like these, when the very existence of free institutions is at stake, there can be no justification for those who call themselves republicans, in voting for democrats.

A Streak of Saloon Piety.

The saloon men of the Democrat—the hounds who prowl about the doggeries of this city and drink bad whiskey and write editorials for the democratic paper—are out with a specimen of "saloon piety" this morning—charging Mr. Graham with treating his friends with liquor. If that statement is true, why have they withheld it to this late hour? If that is Mr. Graham's habit, as it notoriously is not, an early charge of it upon him might have met with counter proof; but now, at this late hour, they bring it forward, giving a general charge, when it is too late to hunt up the testimony. Republicans! do not put any credit in any assertion they make on the eve of election.—Desperate men use desperate means. They will RAIN LIES upon Mr. Graham until the polls are closed. Turn a deaf ear to all of them. Especially is it untrue that Mr. Graham has bought liquor at a saloon and treated any one. It IS FALSE.

MEETING AT EDGERTON.—On Saturday evening Messrs. H. A. Patterson and H. N. Comstock addressed a republican meeting at Edgerton, in Swift's block. The room was full of attentive listeners, some of whom were democrats, who have begun to think that the slaveholding democracy are a little *shakey*. The speakers were very much alive to the great interests at stake. Fulton, the last strong hold of Democracy in Rock county, is about to shake off the dirty rags of squatter sovereignty and array herself on the side of freedom.

☞ To-morrow evening being election night, and as everybody will be anxious to hear the telegraph's news incident to the day, the monthly meeting of the military will be postponed until such a time as it shall be called by the president, when we hope all the members will be present, and assist in procuring accessions to the ranks. A good company can be built up if our young men will but take hold and aid it by joining those who are already members, and who are endeavoring to add the ornament of a military organization to the already fair name of our city.

Vote the Whole Ticket.

Let us forget differences and preferences, at this election, and vote the WHOLE TICKET without scratching a single name.—With the glow of the great national victory already appearing in the political horizon, all republicans should catch the spirit of the hour, and sacrifice every feeling but union and conciliation, and be prepared to celebrate the glorious triumph which awaits us, without one discordant emotion in our bosoms.

Let there be union and harmony among republicans for the sake of the good cause, and for the sake of our gallant standard bearer **ABRAHAM LINCOLN.**

THE WORLD MOVES.—It is but a few years since there were but a dozen republican senators. It was then that Douglas said to them—"we will subdue you." After the fourth of March the Constitution, the president's organ, estimates that there will be 34 democrats and conservatives, 33 republicans *and* Douglas. Who is subdued?

FATAL CASE OF POISONING.—On Friday night last, Jesse, aged about seven years, son of Whitely Woodruff, of Marion, Mich., died of drinking corrosive sublimate, which he was induced to drink by another lad.

GRAND RALLY OF THE REPUBLICANS

NIGHT BEFORE ELECTION!

THERE WILL BE A

MASS MEETING!

of the Republicans of this city on

Monday Evening, Nov. 5th,

at the

Court Room.

The Speakers will be

W. B. HAWES, H. A. PATTERSON,
C. R. GIBBS, J. B. CASSODAY,
I. C. SLOAN, JOHN NICHOLS,
J. A. SLEEPER, J. M. BURGESS,
JAS. H. KNOWLTON.

The Wide Awakes

and the Wide Awake Glee Club will be out.

LET EVERYBODY COME!

Saturday Evening, November 3d,

S. D. HASTINGS & C. G. WILLIAMS.

The Hand-Organ

Will be in full blast to-morrow morning. The *whole crew* who have been turning it will be put at work. It will make no difference if their separate articles conflict, if they only contain the necessary amount of *malignity* and *falsehood*, each will have a chance at the crank. The mass of stuff in this morning's issue is only a sample as to quality and quantity to-morrow. It will be a safe rule to discredit everything said, and especially if any NEW CHARGE is made. The "hounds" then can talk with impunity, as we shall have no opportunity of replying to them. They have *never* been scrupulous as to what they have said; but when all restraint is removed look out for a BATCH OF LIES that would shame the devil, but which they will utter without compunction or regard to future consequences.

The Assemblyman.

MESSRS. EDITORS:—I have looked on quietly during the canvass in this city watching the progress of events as they have developed themselves from day to day, in reference to the candidates for member of the assembly. The course of the Gazette has been manly, avoiding all personalities, and treating Mr. Richardson fairly, while the the Democrat has abounded in falsehood and scurrility. The bitterness of the Democrat, however, may be accounted for upon strictly philosophical principles, as from a corrupt fountain always issue impurities.—Its articles are just such as may be expected from such a source, when we remember who influence and control that paper.

I do not propose to follow the course of the Democrat, but simply ask a few questions suggested by your last Friday's article.

There has been a great deal said about Mr. Richardson's *interests* in this city, and and we have been treated to a rehash of these statements almost every day, but no specifications or data have been furnished. This, I presume, induced the Gazette to examine the records, and since the Democrat has made the issue, it ought not to attempt to screen its candidate from the consequences. You very correctly say "the assessment roll is the true indicator" of the relative interests of Mr. Graham and Mr. Richardson in the city.

Now what are the facts? Mr. Graham appears both upon the *personal* and real estate roll, and is taxed about fifty dollars for city expenses. Mr. Richardson is simply upon the real estate roll for a tax of $10.88. Mr. Richardson is reputed to be, and undoubtedly is, one of the wealthiest of our citizens, with money always to invest whenever the *necessities* of others will enable him to make a *certain* per cent on his capital. I presume he is able to purchase notes, mortgages, city orders, city bonds and stocks, and yet he *gives* in not a dollar's worth of personal property for taxation, and this, too, when the law requires every tax-payer to "list all he has under an oath." Either Mr. R. has less *interest in this city* than his friends claim for him, or he has failed to report it to the assessors.

Again, Mr. G. "is an inveterate office seeker." Now we know that during this canvass he has been quietly attending to his own affairs, while Mr. R. has been exhibiting his "*social*" qualities, going round like a census taker, asking almost every man in the city to vote for him. Of course *he* don't want office!

In conclusion, allow me to inquire whether the idea ever suggested itself to Mr. R., that he has asked many a man to vote for him that never *spoke* to before in his life. Really, Mr. R. has become of late wonderfully "*social*," and the fact that "his *heart* is in this city," may be of great importance to the tax-payers of Janesville.

Phœnix Insurance Co. of Hartford.

We take pleasure in directing the attention of property-holders to the statement of the Phœnix Insurance Company, published in another column. This we consider one of the most reliable Insurance Companies in the country; and we think no one need have the least hesitancy in effecting an insurance in it. Their exhibit shows conclusive of its reliability. No one owning property should go without an insurance, and to such we recommend them to call on the agent and at once effect an insurance.—*Home Journal, Ind.*

Continental Insurance Company.

This prosperous corporation, in order to meet its present and growing wants, has just completed the purchase of the desirable property known as No. 102 Broadway and No. 1 Pine street. Possession will be given on or before the 1st of May next, when we learn a new and beautiful structure will at once be erected, suited to the requirements of the Company. No institution of a similar character in the nation, all things considered, can boast of such an unparalleled prosperity as can this. Commencing with a cash capital of half a million of dollars, it has steadily and rapidly grown, until its available assests now amount to about one million. The officers and directors are known all over the country as among the leading influential business men and capitalists of this city. No better, safer, or stronger Insurance Company exists than the Continental. May it live and grow a thousand years, and—continue to pay fat dividends.—*New York Independent.*

To the Public.

"Now is the accepted time"—to-morrow may be too late—delays are dangerous.—Have you got a store of goods? Have you a dwelling house? Have you any insurable property? Go at once to Dimock's Agency and have it insured. Do not let the melancholy words "he had no insurance" prove applicable to your case in event of a sweeping fire.

NOTHING LIKE IT TO RESTORE A DOUBTFUL CREDIT.

It is greatly to the credit of any owner or occupant of a building to have placed conspicuously over his door, any of the following leading companies' house plates. The Home of New York. The Phœnix of Hartford. The Continental of New York. The Security of New York. The Merchants of Hartford, or the Northern of London, England. Is your credit at the Banks getting below par, up with one of these plates and you are all right at the Rock County, the Central or at Hoyt's.—Every passer-by will say "there is a sound business man." Tell your New York creditors that you insure your lake freights in the reliable Old Home, and your goods after their arrival in any of these incomparable companies and your orders will at all times be filled, and at the lowest figures. A few more of these ornamental plates left at Dimock's Agency.

I desire to call the attention of the citizens of Janesville and Rock county, more in detail to these well known, reliable and prompt paying

LOCAL DEPARTMENT.

Be Prompt at the Polls.

The polls open at 9 o'clock A. M. We trust, challengers and vigilance committees will be promptly on the grounds, and firmly maintain their position. Let all republican voters be on hand early. A large republican vote in the forenoon sets the tide for the afternoon. Turn out and vote early and then look after those who have not voted.

ATTENTION

Wide Awakes!

Wide Awakes will you turn out to-night? If so, appear at the court room at 7 o'clock, with uniform and torch. A good time generally, is anticipated.

A. B. McLEAN, Captain.

DON'T SWAP VOTES.

The democracy are a commercial people. They will propose to trade off any candidates on their ticket to-morrow for a vote for assemblyman. Desperation has siezed upon them, and they have given up all hopes of electing any man upon their ticket, except Hamilton Richardson—hence all their forces and all their efforts are thrown for his benefit. One of their games is to trade votes. Says the democrat to the republican: "If you will vote for Hamilton Richardson, I will vote for Lincoln." Don't you do it. He may not vote for Lincoln, and will cheat you there if he can; but if he does vote for Lincoln it will not help him, because, Lincoln is sure of Wisconsin, at any rate. If republicans make this trade, they lose their vote by it.

The Great Issue.

The free labor question is the great issue at this presidential election. Let every workingman rally against the slave extensionists who would fill our new territories with slaves, every one of whom keeps out ten white men.

Let the People Elect.

Those who vote the Douglas ticket vote for sending the election of president to the house, where bribery and treason will do their work. If you want peace in the country, vote for LINCOLN who alone can be elected by the people.

THE WHOLE TICKET.—Our candidates were all fairly nominated. They are all good and true republicans, there can, therefore, be no excuse for any party man who refuses to vote for the whole ticket. In times like these, when the very existence of free institutions is at stake, there can be no justification for those who call themselves republicans, in voting for democrats.

A Streak of Saloon Piety.

The saloon men of the Democrat—the hounds who prowl about the doggeries of this city and drink bad whiskey and write editorials for the democratic paper—are out with a specimen of "saloon piety" this morning—charging Mr. Graham with treating his friends with liquor. If that statement is true, why have they withheld it to this late hour? If that is Mr. Graham's habit, as it notoriously is not, an early charge of it upon him might have met with counter proof; but now, at this late hour, they bring it forward, giving a general charge, when it is too late to hunt up the testimony. Republicans! do not put any credit in any assertion they make on the eve of election.—Desperate men use desperate means. They will RAIN LIES upon Mr. Graham until the polls are closed. Turn a deaf ear to all of them. Especially is it untrue that Mr. Graham has bought liquor at a saloon and treated any one. It IS FALSE.

MEETING AT EDGERTON.—On Saturday evening Messrs. H. A. Patterson and H. N. Comstock addressed a republican meeting at Edgerton, in Swift's block. The room was full of attentive listeners, some of whom were democrats, who have begun to think that the slaveholding democracy are a little *shakey*. The speakers were very much alive to the great interests at stake. Fulton, the last strong hold of Democracy in Rock county, is about to shake off the dirty rags of squatter sovereignty and array herself on the side of freedom.

☞ To-morrow evening being election night, and as everybody will be anxious to hear the telegraph's news incident to the day, the monthly meeting of the military will be postponed until such a time as it shall be called by the president, when we hope all the members will be present, and assist in procuring accessions to the ranks. A good company can be built up if our young men will but take hold and aid it by joining those who are already members, and who are endeavoring to add the ornament of a military organization to the already fair name of our city.

Vote the Whole Ticket.

Let us forget differences and preferences, at this election, and vote the WHOLE TICKET without scratching a single name.—With the glow of the great national victory already appearing in the political horizon, all republicans should catch the spirit of the hour, and sacrifice every feeling but union and conciliation, and be prepared to celebrate the glorious triumph which awaits us, without one discordant emotion in our bosoms.

Let there be union and harmony among republicans for the sake of the good cause, and for the sake of our gallant standard bearer **ABRAHAM LINCOLN.**

THE WORLD MOVES.—It is but a few years since there were but a dozen republican senators. It was then that Douglas said to them—"we will subdue you." After the fourth of March the Constitution, the president's organ, estimates that there will be 34 democrats and conservatives, 33 republicans *and* Douglas. Who is subdued?

FATAL CASE OF POISONING.—On Friday night last, Jesse, aged about seven years, son of Whitely Woodruff, of Marion, Mich., died of drinking corrosive sublimate, which he was induced to drink by another lad.

GRAND RALLY OF THE REPUBLICANS

The Speakers will be

The Wide Awakes

and the Wide Awake Glee Club will be out.

LET EVERYBODY COME!

Saturday Evening, November 3d,

S. D. HASTINGS & C. G. WILLIAMS.

The Hand-Organ

Will be in full blast to-morrow morning. The *whole crew* who have been turning it will be put at work. It will make no difference if their separate articles conflict, if they only contain the necessary amount of malignity and falsehood, each will have a chance at the crank. The mass of stuff in this morning's issue is only a sample as to quality and quantity to-morrow. It will be a safe rule to discredit everything said, and especially if any NEW CHARGE is made. The "hounds" then can talk with impunity, as we shall have no opportunity of replying to them. They have *never* been scrupulous as to what they have said; but when all restraint is removed look out for a BATCH OF LIES that would shame the devil, but which they will utter without compunction or regard to future consequences.

The Assemblyman.

MESSRS. EDITORS:—I have looked on quietly during the canvass in this city watching the progress of events as they have developed themselves from day to day, in reference to the candidates for member of the assembly. The course of the Gazette has been manly, avoiding all personalities, and treating Mr. Richardson fairly, while the the Democrat has abounded in falsehood and scurrility. The bitterness of the Democrat, however, may be accounted for upon strictly philosophical principles, as from a corrupt fountain always issue impurities.—Its articles are just such as may be expected from such a source, when we remember who influence and control that paper.

I do not propose to follow the course of the Democrat, but simply ask a few questions suggested by your last Friday's article.

There has been a great deal said about Mr. Richardson's *interests* in this city, and and we have been treated to a rehash of these statements almost every day, but no specifications or data have been furnished. This, I presume, induced the Gazette to examine the records, and since the Democrat has made the issue, it ought not to attempt to screen its candidate from the consequences. You very correctly say "the assessment roll is the true indicator" of the relative interests of Mr. Graham and Mr. Richardson in the city.

Now what are the facts? Mr. Graham appears both upon the *personal* and real estate roll, and is taxed about fifty dollars for city expenses. Mr. Richardson is simply upon the real estate roll for a tax of $10.88. Mr. Richardson is reputed to be, and undoubtedly is, one of the wealthiest of our citizens, with money always to invest whenever the *necessities* of others will enable him to make a *certain* per cent on his capital. I presume he is able to purchase notes, mortgages, city orders, city bonds and stocks, and yet he gives in not a dollar's worth of personal property for taxation, and this, too, when the law requires every tax-payer to "list all he has under an oath." Either Mr. R. has less *interest in this city* than his friends claim for him, or he has failed to report it to the assessors.

Again, Mr. G. "is an inveterate office seeker." Now we know that during this canvass he has been quietly attending to his own affairs, while Mr. R. has been exhibiting his "*social*" qualities, going round like a census taker, asking almost every man in the city to vote for him. Of course *he* don't want office!

In conclusion, allow me to inquire whether the idea ever suggested itself to Mr. R., that he has asked many a man to vote for him that never *spoke* to before in his life. Really, Mr. R. has become of late wonderfully "*social*," and the fact that "his *heart* is in this city," may be of great importance to the tax-payers of Janesville.

Phœnix Insurance Co. of Hartford.

We take pleasure in directing the attention of property-holders to the statement of the Phœnix Insurance Company, published in another column. This we consider one of the most reliable Insurance Companies in the country; and we think no one need have the least hesitancy in effecting an insurance in it. Their exhibit shows conclusive of its reliability. No one owning property should go without an insurance, and to such we recommend them to call on the agent and at once effect an insurance.—*Home Journal, Ind.*

Continental Insurance Company.

This prosperous corporation, in order to meet its present and growing wants, has just completed the purchase of the desirable property known as No. 102 Broadway and No. 1 Pine street. Possession will be given on or before the 1st of May next, when we learn a new and beautiful structure will at once be erected, suited to the requirements of the Company. No institution of a similar character in the nation, all things considered, can boast of such an unparallelled prosperity as can this. Commencing with a cash capital of half a million of dollars, it has steadily and rapidly grown, until its available assests now amount to about one million. The officers and directors are known all over the country as among the leading influential business men and capitalists of this city. No better, safer, or stronger Insurance Company exists than the Continental. May it live and grow a thousand years, and—continue to pay fat dividends.—*New York Independent.*

To the Public.

"Now is the accepted time"—to-morrow may be too late—delays are dangerous.—Have you got a store of goods? Have you a dwelling house? Have you any insurable property? Go at once to Dimock's Agency and have it insured. Do not let the melancholy words "he had no insurance" prove applicable to your case in event of a sweeping fire.

NOTHING LIKE IT TO RESTORE A DOUBTFUL CREDIT.

It is greatly to the credit of any owner or occupant of a building to have placed conspicuously over his door, any of the following leading companies' house plates. The Home of New York. The Phœnix of Hartford. The Continental of New York. The Security of New York. The Merchants of Hartford, or the Northern of London, England. Is your credit at the Banks getting below par, up with one of these plates and you are all right at the Rock County, the Central or at Hoyt's.—Every passer-by will say "there is a sound business man." Tell your New York creditors that you insure your lake freights in the reliable Old Home, and your goods after their arrival in any of these incomparable companies and your orders will at all times be filled, and at the lowest figures. A few more of these ornamental plates left at Dimock's Agency.

I desire to call the attention of the citizens of Janesville and Rock county, more in detail to these well known, reliable and prompt paying
